 7:00 p.m. Pottorf Hall Closed to General Public

TUESDAY, JULY 30

9:00 a.m. Clean up Fairgrounds.

**Riley County Fair 2025- Tentatively JULY 24 – JULY 28*

4-H CLUB DEPARTMENT GENERAL REGULATIONS

1. 4-H members are responsible for knowing and abiding by the fair rules published in this fair book. Rule violations will be dealt with on a case-by-case basis by the Fair Board.
2. The Riley County Fair Board, through its management, makes all rules and regulations and reserves the final and absolute right to interpret these rules and regulations.
3. A fair pre-entry deadline has been established for **Saturday, July 1; All 4-H and Cloverbud Fair Entries** will be collected on-line at our website www.riley.ksu.edu and click on **Fair Pre-entry**, if exhibitors are unable to access the online system from home, they may access it from the Extension office.

Fair Pre-entry for Dog exhibitors will be Tuesday, May 28. Entries will be collected on-line at our website www.riley.ksu.edu and click on **Fair Pre-entry**.

4. Any exhibitor not complying with the Riley County Fair rules, regulations and requirements may be denied entry and/or participation.
5. Disputes should first be brought to the attention of the appropriate department

head and extension staff. After receiving a decision from the department chair or staff member, any further dispute must be made in writing, using the form available at the Riley County Fair office. To receive a ruling from the fair board, the dispute form must be accompanied by a \$250 fee (cash or certified check made payable to "4-H Council"). The fee will be forfeited if the fair board is not able to substantiate the complaint.

6. 4-H members may NOT stay overnight in or around the fair buildings or facilities. They may stay in campers or trailers. 4-H'ers are the responsibility of their parents. Trailers and campers must be parked the correct way in the parking lot.
7. Exhibitors must be Riley County 4-H Club members and be enrolled by May 1, 2024, in the project in which they are exhibiting.
8. All participants shall be 4-H members who have passed their 7th birthday by January 1, 2024, and have not passed their 19th birthday on January 1, 2024. Eligibility should be checked by leaders. Age must be stated on entry card.
9. Unless otherwise stated, Junior Division age will be 13 and under as of January 1, 2024, and Senior Division age will be 14 and over as of January 1, 2024.
10. All exhibits must be entered and in the assigned place, by the time indicated in the fair schedule, and exhibit, must remain on display until the scheduled release time.
11. All members exhibiting animals must accompany and show their exhibits, and provide a suitable means of caring for them, at all times during the fair. Members must furnish their own feed and equipment for animals.
12. In case an exhibitor has two animals entered in the same class, another Riley County 4-H member may assist with one entry, provided this meets with the approval of the Department Chair.
13. Each member will be responsible for cleaning up their pen or stall after the removal of animals. Failure to do so means forfeiture of premium.
14. No commercial advertising is permitted in connection with 4-H exhibits or animals.
15. Animals shown in market classes are not eligible to be shown in breeding classes and vice versa.
16. All livestock must be housed in Riley or adjacent counties during the project year and be cared for by the 4-H'er.
17. Entries in all classes will be placed in purple, blue, red, or white ribbon groups according to the department and quality of the exhibit (rainbow ribbon for participation).
18. Money has been provided in each ribbon group for each class, with the exception of judging contests, showmanship, fashion revue and the participation ribbon groups.
19. Purple ribbon winners will be eligible for show at the Kansas State Fair (except for livestock which must be blue ribbon quality) if classes are available and exhibitor meets show and/or age requirements.
20. All exhibits on the fairgrounds will be under the control of the fair management. While every precaution will be taken for their safekeeping, neither the management, neither its officers, nor the extension office personnel will be responsible for any loss, damage or accidents that may occur.
21. After the exhibit release time, all exhibits are to be claimed by the exhibitors or by parties representing the exhibitors. Those in charge assume no responsibility for exhibits left on the fairgrounds after the close of the fair.
22. All exhibits entered should be the product of the 4-H work done in the present club year. (October 1, 2023 – September 30, 2024)
23. Projects made in school should not be exhibited unless the following requirements are met: (1) 4-H'er must have planned ahead of time to correlate 4-H and school project work; (2) The 4-H project must have similar suggested learning experiences and/or requirements as the school class; (3) 4-H'er must be enrolled in the project before article is made in school class.
24. All 4-H members will be assigned an exhibitor number. This number and class number must appear on the entry cards. All exhibits except livestock and fashion revue need an entry card.

25. All 4-H'ers exhibiting in Pottorf Hall, and their parents and leaders will have the opportunity to meet with the judge while entries are being judged. The purpose of interview judging is to enhance the educational experience for 4-H'ers. Judges will talk to the 4-H'er. The leader and parent are requested to be silent observers and may ask questions at the conclusion of the interview.
26. Department Chairs in charge have the right to refuse late entries or place participation ribbons on exhibits.
27. 4-H exhibitors (individual or group) should avoid using copyrighted materials, whenever possible, by originating his/her own work. A 4-H member or group should use with caution a copyrighted and/or trademarked product or service (a brand name, label or product). The intent of using the copyright or trademark materials for educational purposes such as an exhibit, educational poster/display or public presentation is acceptable under the "Fair Use" (legal use) provision. Regardless of the "Fair Use" provision, the inference that a specific name brand product is good or bad inherently or through comparison must be done cautiously, using acceptable research/comparison methods and having a disclaimer that the conclusions are those of the 4-H participant and not those of K-State Research and Extension. The use and inclusion of specific brand names for educational purposes does not imply endorsement or refusal by the Riley County Extension Council, K- State Research and Extension, or the State of Kansas.

RILEY COUNTY 4-H FAIR ANIMAL HEALTH REQUIREMENTS

GENERAL REQUIREMENTS

All animals will receive a visual exam by the attending veterinarians and shall be free of clinical signs (symptoms) of infectious or contagious disease. **If an animal exhibits clinical signs of an infectious disease, that animal will be subject to a full physical exam by the attending veterinarian.** Clinical signs of infectious diseases that would prompt a physical exam include, but are not limited to, the following:

1. Areas of hair loss, scabs, flaky skin, or ulcerations of skin
2. Raised areas of skin, lumps, or masses on the body
3. Coughing
4. Nasal discharge: any discharge that has color to it (cloudy, green, yellow, etc.)
5. Diarrhea or soft stools
6. Discharge from the eyes
7. Lethargic or depressed animals

The attending veterinarians shall have the authority to accept or reject any animal based on the visual or physical exam. Any animal that develops any disease symptoms while at the fair shall be isolated immediately, examined, and treated by a veterinarian, and may be sent home upon the discretion of the veterinarian. Appropriate measures shall be taken by the veterinarian to insure the health and well-being of the other exposed animals in regard to disinfecting, vaccinating, isolation, quarantine, treatment and preventative medicine.

Definitions:

1. **Ringworm:** Ringworm is a fungus that often presents as ring-like areas of hair loss and skin crusts on the body. As the fungus is eliminated by the animal, these areas of hair loss will begin to fill back in with hair. Ringworm found on an animal will be deemed as active if it has not started to fill back in with hair.
2. **Warts:** Warts are raised areas of skin caused by a virus. Multiple warts are defined as more than 3 warts on an animal.
3. **Sore Mouth:** This is a skin disease caused by a virus that most often appears as scab-like lesions on the lips and muzzle and in the mouth.

4. **Mange:** Skin disease due to mites which often results in hair loss and skin inflammation.

Cattle - No tests are required. In addition to the general requirements: Cattle determined by the attending veterinarians to have active lesions of ringworm, multiple warts, or infestation with mange will not be permitted to be exhibited.

Swine- Swine must meet the general requirements.

Sheep- In addition to the general requirement:

- * Sheep must be free of any signs of sore mouth.
- * Sheep must be free of signs of active fungal (ringworm) infection, including club lamb fungus.
- * All sheep must be identified with an official USDA premise ID tag, (scrapie tag).

Goats- In addition to the general requirement:

- * Goats must be free of any signs of sore mouth, active lesions of ringworm, multiple warts, or infestation of mange.
- *All goats must be identified with a registered tattoo or an official USDA premise ID tag, (scrapie tag).

Horses- Horses shall meet the general requirements. A negative coggins test within 12 months for equine infectious anemia is required. A comprehensive vaccination protocol is recommended.

Poultry- In addition to the general requirements:

All poultry (except waterfowl) are required to show proof of being Pullorum Typhoid clean by one of the following:

- Originate from a certified U.S. Pullorum- Typhoid clean flock
- Test negative at check-in of the county fair when the county has been designated by KDA-DAH for surveillance. Routine surveillance testing will be performed for each county fair a minimum of once every 5 years. Riley County is scheduled to test in **2024**.

All other animals- Department Chair is responsible for examining animals as they arrive. Questionable exhibits should be examined by the attending veterinarian.

ANIMAL WELL-BEING POLICY STATEMENT

The Riley County Fair Board and Riley County 4-H program strongly support positive animal care and strongly oppose animal abuse. 4-H is also dedicated to the mission of developing youth and volunteers in learning by doing programs. 4-H livestock projects teach the five life skills that 4-H emphasizes in all programs. These include building a positive self-concept, developing an inquiring mind, learning to make decisions, relating to others, and developing a concern for the community.

It is with this philosophy in mind that all aspects of 4-H animal management practices, environmental control, facilities and equipment, and health care be shown by the 4-H member and family in the care and exhibiting of their animals. All animal exhibitors, including dog and pet exhibitors, are required to acknowledge *The Riley County Animal Exhibitor Code of Practice* on their pre-entry. If this is not turned in, the 4-H member will not be allowed to exhibit.

ANIMAL TESTING AND EXAMINATION

The Riley County Fair board reserves the right to have a blood, urine, and/or tissue laboratory analysis conducted on any animal entered in competition. If any analysis shows the presence of any amount of a diuretic, unapproved or illegal medications, or a legal

medication not meeting the withdrawal time as of the animal check-in date of the show, the exhibitor of the animal will forfeit all prizes and premiums and will be barred from future competition at the Riley County Fair.

4-H LIVESTOCK SALE POLICY

Bidding Policy: All animals going through the ring will be sold on a premium basis (dollars premium). Buyers are NOT purchasing the animal and will not have the option to purchase for home consumption during or after the premium auction.

Payment Procedure: The 4-H member is responsible for collecting his/her premium from the buyer and presenting the buyer with a 4-H Livestock Buyer ribbon. The 4-H members will begin collecting premiums one to two weeks after the sale.

Sale Limits: Premium limits will apply. The Grand Champion will establish the top premium in each species. The Reserve Champion may not sell higher than the Grand Champion. Blue ribbon animals may not sell higher than the reserve Champion. Red ribbon animals may not sell higher than the average of the blues, and white ribbon animals may not sell higher than the average of the reds.

1. All 4-H Members are encouraged to contact buyers for the 4-H livestock sale. Premium Auction is for only Market livestock shown in a Market Class.
2. Swine exhibitors are encouraged to attempt to market hogs for home consumption. Hogs will be sold locally and processed at local processing plants instead of being sold to a single buyer and shipped to a larger plant. Therefore, exhibitors are encouraged to market their own animals or keep them for home consumption.
3. Beef, sheep, and goat exhibitors may also market their animals for home consumption or may keep their premium sale animal for personal consumption.
4. Sale committee will assign ring people for the sale. No other person will be allowed in the sale ring.
5. Sale of animals going through the ring are eligible for exhibit at any future show.
6. Fair Department Chairs will determine sale order, according to guidelines established by the fair board.
7. Exhibitors must complete an Animal Destination Form for all animals entering the fairgrounds. This includes premium sale animals; animals being taken home and animals sold for home consumption.
8. No 4-H member may sell more than one item in the 4-H premium sale.
9. Exhibitors must accompany their sale item and must be present at the auction to participate in the Premium Auction. Exhibitors must sell at their assigned time as set forth in the sale program.
10. Sale Minimum Weights: Market steers and market heifers must weigh 1,000 pounds or more to sell in the premium auction. Market hogs must weigh at least 220 pounds. Market lambs must weigh at least 90 pounds, and Market goats must weigh at least 40 pounds. **Premium auction is for animals shown in a market class.**
11. Sale order will rotate by species each year with the species selling first in the preceding year's sale to be sold last in the current year's sale. **2024: Rabbit, Poultry, Goat, Swine, Sheep and Beef.** Baked goods will sell before the start of the livestock premium sale each year.
12. Sale invoices will be sent from the Extension Office.

CLUB HERDSMAN Beef, Dairy, Sheep, Swine, Goats, Poultry and Rabbit

4-H Exhibitors are expected to keep their pens, tack stalls, alleyways, and wash rack facilities neat and clean throughout the fair, presenting the best possible display for the public. The fair board will individually reward members who perform these tasks well.

ROUND ROBIN SHOWMANSHIP CONTEST

Department Chair: Lance Sharp

**Judging: Sunday, JULY 28; 11:00 Swine
contest 11:30 all other species**

Champion and Reserve Showmen or their blue ribbon alternate in Beef, Dairy, Meat Goat, Dairy Goat, Horse, Sheep, and Swine departments are eligible. Each department must have at least three (3) eligible exhibitors to participate in the Round Robin Contest. 4-H members must show their own livestock in these classes. If a 4-H member wins in more than one department, he/she must choose which area to represent. An alternate will be selected by the Department Chair to fill the vacancy. Junior (7-9), Intermediate (10-13) and Senior (14-18) grand and reserve grand champions will be awarded.

A 4-H member who has qualified in more than one department must choose which specie they will show within two hours after the conclusion of the last show in which they exhibit their own animal.

LIVESTOCK JUDGING CONTEST

Department Chairs: Brent Camerlinck & Brenda Jordan

CONTEST: Sunday, JULY 28; 3:30 p.m.

REGISTRATION: Sunday, JULY 28; 3:15 p.m.

LOCATION: Hurlburt Show Arena

1. All 4-H members are eligible to participate.
2. There will be a Senior, Intermediate and Junior division.
Senior Division: 14 and over as of January 1, 2024
Intermediate Division: 10-13 age as of January 1, 2024
Junior Division: 7-9 age as of January 1, 2024
3. Senior and Intermediate division contestants competing for a position on Riley County's State Livestock judging team are expected to give oral reasons.
4. Reasons are optional for other contestants but will count toward total scores.
5. Awards are for Riley County participants only.
6. Livestock Department Chairs will assist in the selection of classes.

LIVESTOCK SKILLATHON CONTEST

Department Chairs: Gary Fike

CONTEST: Monday, JULY 29; 1:00 p.m.

REGISTRATION: Monday, JULY 29; 12:30 p.m.

LOCATION: Entertainment Tent, north of Pottorf Hall

1. All 4-H members are eligible to participate.
2. There will be a Senior, Intermediate, Junior division.
Senior Division: 14 and over as of January 1, 2024
Intermediate Division: 10-13 age as of January 1, 2024
Junior Division: 7-9 age as of January 1, 2024
3. Skillathon Contest is designed to promote understanding of management and care of livestock, and focused on cattle, swine, sheep, and goats.
4. Awards will be presented to the top individuals in each age division.
5. After winning a division, the individual will need to compete in the next older age division in the following years. Individuals are eligible to compete in the senior division multiple years but may only receive an award once per age division.

LIVESTOCK DEPARTMENT

Special Rules

1. Read General Regulations and health regulations.
2. Market livestock exhibitors (beef, sheep, swine, and goat) are required to have completed the Youth for the Quality Care of Animals (YQCA) course either in person or online and have a valid certificate.
3. Market and Breeding livestock (beef, sheep, swine and goat) will be ranked to 5 placings – Grand Champion, Reserve, 3rd, 4th and 5th.
4. Sheep, Swine, Goat and Bucket Calf projects must be owned by 4-H members for 90 days to be eligible for showing. Beef projects must be owned by 4-H members for 140 days to be eligible for showing. Leaders are responsible for confirming project eligibility.
5. Household nominations will be allowed for all market animals, and for breeding gilts (all animals that require nomination for the county fair). Youth who legally reside in the same household and share the same legal address may nominate as a household and declare who will show which animal when checking in at the fair.
6. The beef show will be a no fit show. No fit is defined as using no adhesive, glue, paint, or powder products. Hoof painting is NOT allowed.
7. No adult other than immediate family or a *Riley county project leader for that specie* may assist with the fitting or grooming of any animal after arriving at the fairgrounds. Forfeiture of premiums and exclusion from the sale will result from infraction of this rule. *Riley County* junior leaders and other *Riley County* 4-H members may be allowed to assist.
8. Each exhibitor may exhibit only one animal per species in showmanship (no cow-calf pairs).
9. Animals shown in showmanship classes must have been entered in an animal evaluation class in their respective department.
10. An animal may receive premium money only once.
11. All beef and dairy animals must be kept in the stall or tie-stall area. Blocking chutes must be kept in the outside tie-stall area (inside the fenced-in area). No animals are to be tied on east Casement asphalt walkway.
12. Cattle being fed in the fitting areas beside the barns must be tied back in the barns by 6:30 p.m. each evening.
13. Cattle may go to the tie out area at 8:30 p.m. and must be out of tie-out area by 9:30 a.m.
14. **Barns will be unlocked from 6:30 a.m. to 11:00 p.m. each day.**
15. Straw will not be permitted as bedding in the barns. Wood shavings will be provided in limited quantity.
16. All livestock must be housed in Riley or adjacent counties during the project year and cared for by the 4-H member.
17. The use of certain products for grooming and showing animals may not, in normal use,
be illegal, but public perception of the use of those products on animals may be offensive. Avoid using products that the public may question.
18. No icing down of lambs, hogs, or cattle is permitted. Any means other than non-cooled tap water is prohibited.
19. **All animals entered may be used in the livestock judging contest.**
20. Non-sale livestock early release **Monday, July 29; 7:00–11:00 a.m.** All non-sale livestock may be removed at this time or after the livestock sale.
21. No intact males or cryptorchids will be allowed to show in the market animal classes.
22. **A livestock exhibitors meeting will be held at 1:00 p.m. on Thursday, JULY 25 in Hurlburt Hall. Show rules will be reviewed and questions answered at this time. All livestock exhibitors should attend.**

DEPARTMENT 1—BEEF

Department Co-Chairs:
Brent Camerlinck and Payton Baker
Assistant Chair: Kobie and Kaden Camerlinck

PRE-REGISTRATION: Due July 1

ENTRY: Thursday, JULY 25; 7:00–11:00 a.m.

JUDGING: Saturday, JULY 27; 6:00 p.m.

SHOW ORDER: Heifers, Showmanship, Market Beef

RELEASE TIME: Monday, JULY 29; 7:00 a.m. – 11:00 a.m. or after the livestock sale

SECTION A—BEEF FEMALES

1. Read livestock department special rules, general regulations, and health regulations.
2. Members may show up to three animals.
3. Breeding classes will be divided according to age and breed.
4. Registration papers are required in order to show in breed classes. All registered heifers (and cows) must have original registration papers in the sole name(s) of the exhibitor prior to June 15 of the current year. Original registration papers are to be presented at check-in.
5. **NEW THIS YEAR:** All unregistered females must be identified with an official 4-H ear tag before May 1.
6. The judge can request birth date of animal during show.
7. Champion and reserve champion will be awarded for each breed.
8. **A Supreme Champion, Supreme Reserve Champion, 3rd, 4th, and 5th overall heifer will be selected.**
9. Cow-calf pairs will not compete for the Supreme Champion Heifer Award.
10. A Champion and Reserve Champion registered bred and owned heifer will be selected. (Commercial animals are not eligible) Bred and owned is defined as the exhibitor being the breeder, first and continuous owner of the animal. Registration papers will be checked.

DEPARTMENT 4—SWINE

Department Chair: Rick Stillwagon

Assist: Triston Stillwagon, Taylor Kaump, Bruce Kaump, Lance Sharp

Jr. Assistant: Jacob, Sarah & Korah Wendland, Westin Anderson

PRE-REGISTRATION: Due July 1

ENTRY: Thursday, JULY 25; 7:00-11:00 a.m.

JUDGING: Friday, JULY 26; 7:00 p.m.

SHOW ORDER: Breeding Gilts, Market Hogs

RELEASE: Monday, JULY 29; 7:00-11:00 a.m. or after the livestock sale.

1. Read livestock department special rules, general regulations, and health regulations.
2. All swine exhibitors must be Youth for the Quality Care of Animals (YQCA).
3. All swine must be identified with an official 4-H ear tag and notches before May 1.
4. Swine exhibitors may exhibit up to three breeding gilts and three market hogs.
5. Registration papers are required to show in breed classes. All registered animals must have original registration papers in the sole name(s) of the exhibitor prior to June 15 of the current year. Original registration papers are to be presented at check-in.
6. All registered animals must meet registration eligibility requirements as established by their respective breed governing body (National Swine Registry, Certified Pedigreed Pork, American Berkshire Association). Any animals that do not meet registration eligibility requirements or purebred animals without registration papers shall be shown in the Crossbred class.
7. Breeding gilt must have been farrowed on or after January 1 of the current year.
8. Breeding gilts will be shown by breed in the following classes: Berkshire, Chester White, Duroc, Hampshire, Poland China, Yorkshire, Spot, AOB and Crossbred. Crossbred gilts classes will be divided by weight, with classes determined by the department chairs. A champion and Reserve Champion will be awarded for each breed. **A Supreme Champion, Supreme Reserve Champion, 3rd, 4th, and 5th Overall Breeding Gilt, will be selected.**
9. A Champion and Reserve Champion registered bred and owned breeding gilt will be selected (commercial gilts are not eligible). The top placing bred and owned animals in their respective classes will be eligible to show for champion bred and owned. The second place bred and owned animal from the same class as the selected champion will move into consideration for reserve champion bred and owned. Bred and Owned is defined as the exhibitor being the breeder, first and continuous owner of the animal. Original registration papers are to be presented at check-in.
10. Market swine weighing less than 220 pounds will be shown in a lightweight class and will not be eligible to compete for Champion and Reserve Champion.
11. Market Swine will be shown by weight in the following breed classes: Berkshire, Chester White, Duroc, Hampshire, Poland China, Yorkshire, Spot, AOB and Crossbred. At least three market swine of the same breed will be needed to have a breed market class. Any breed with less than three entries will be shown in the AOB class. Classes will be determined by department chairs.
12. Grand Champion, Reserve Grand Champion, 3rd, 4th and 5th will be selected in the market class.
13. Oil-based products and powders (products that may affect carcass quality) are prohibited. Non-oil-based products approved for swine may be used.

DEPARTMENT 5—SHEEP

Department Chair: Georgia Hatesohl
 Assistants: Pamela Hatesohl, Bob Mertz, Josh Wendland, Angie Bond
 Jr. Assistant: Jacob, Sarah & Korah Wendland

PRE-REGISTRATION: Due July 1

ENTRY: Thursday, JULY 25; 7:00–11:00 a.m.

JUDGING: Thursday, JULY 25; 7:00 p.m.

RELEASE TIME: Monday, JULY 29; 7:00–11:00 a.m. or after the livestock sale

SHOW ORDER: Breeding Ewes, Market Lambs

1. Read livestock department special rules, general regulations, and health regulations.
2. All market lambs and unregistered ewes must be identified with an official 4-H ear tag before May 1.
3. Exhibitors may show up to three market lambs and three breeding ewes.
4. Market lambs must be slick shorn above the knee and hock joints, including the head, before arrival on the grounds. Wool length should not exceed 0.2 inch.
5. Market lambs will be shown by weight, with classes determined by department chairs.
6. Market lambs weighing less than 90 pounds will be shown in a lightweight class and will not be eligible to compete for champion and reserve champion.

7. Grand Champion, Reserve, 3rd, 4th and 5th will be selected in the market class.
8. Ewe lambs must have been born on or after September 1, 2023. Yearling ewes must have been born on or between September 1, 2022, and August 31, 2023.
9. Ewe lambs will be shown by breed in the following classes: Dorset, Hampshire, Montadale, Shropshire, Suffolk, Southdown, AOB, and crossbred. Crossbred ewe lambs will be divided by weight, with classes determined by the department chair.
10. Registration papers are required to show in breed classes. All registered breeding ewes must have original registration papers in the sole name (2) of the exhibitor prior to June 15 of the current year. Original registration papers are to be presented at check-in.
11. Champion and reserve champion will be awarded for each breed in the breeding section. A supreme champion, supreme reserve champion, 3rd, 4th, and 5th overall ewe will be selected.
12. A Champion and Reserve Champion registered bred and owned breeding ewe will be selected (Crossbred ewes are not eligible.) Bred and owned is defined as the exhibitor being the breeder, first and continuous owner of the animal. Original registration papers are to be presented at check-in.
13. No artificial coloring of animals is allowed.
14. No icing down of lambs is permitted before and/or during the show. Any means other than non-cooled tap water is prohibited.
15. Administration of liquids by means of a drench gun or hose is prohibited from time of entry to completion of the sheep show on Thursday night. Thereafter, treatments must be prescribed by an on-site veterinarian.

DEPARTMENT 6—HORSE

Department Chairs: Jenny Bormann

Assistant:

Jr. Assistants:

PRE-REGISTRATION: Due July 1

ENTRY: Saturday, JULY 20; 7:30–8:00 a.m.

JUDGING: Saturday, JULY 20; 8:30 a.m.

1. Read general regulations and health regulations.
2. A horse ID form must be on file with the Extension Office by June 1.
3. Stallions may not be shown.
4. Horses are shown at the owner's risk.
5. The horse project may be a joint ownership, borrowed or rented, as long as the 4-H'er has control of it 75% of the time during course of project year.
6. The age of the animal is determined as of January 1 in the year in which it is foaled.
7. The project will be shown in the class of the sire.
8. The horse Department Chair has the right to dismiss or send home any animal that is unruly or hard to handle.
9. The following percentage points will be judged in the Halter Classes:

Conformation	90
percent	
Grooming, training and manners	10
percent Total.....	
100 percent	
10. Events will run as scheduled. **NO EXCEPTIONS.**
11. Horses will not be housed at the fair. They will be entered on show day and released.
12. The top two blues in each class, except halter, will be the Champion and reserve champion. Horses that are not of blue quality will not be considered champions.
13. Horseless Horse Project members that exhibit in either Class 638,639,640 are responsible for securing the horse they will be using in that class. There will not be a champion or reserve champion ribbon awarded in any of the horseless horse classes. Members may exhibit posters or notebooks in the miscellaneous division at the fair.
14. An Overall Champion and Reserve Champion Halter Horse Gelding and Mare will be awarded from classes 601-634.
15. Overall Horsemanship awards will be given in the Junior, Intermediate and Senior Divisions. Each participant/horse combo will earn points based on the ribbon they received in each class that they participated in. All classes will count towards the all-around totals EXCEPT the halter classes (confirmation of the horse). This means showmanship and all riding classes will count, with showmanship being the tie breaker. Overall Performance winners will be selected from the horse/rider combo with most points out of all riding classes EXCEPT the four speed event classes. Horsemanship will be used as a tie breaker. Overall Speed winners will be selected from the horse/rider combo with the most points out of all four speed event classes. Barrels will be used as a tie breaker. Following are how the points are tabulated:
 - i. Ribbon color and points: Blue-4, Red-3, White-2 and extra points are given for Champion-2 and Reserve Champion-1 ribbons.
 - ii. Each class will count, no matter how many participants are in the class.
 - iii. There will be no weighing the points for any reason.
 - iv. If the rider is Disqualified from the class, they will receive 0 points.
16. 4-H horse project members are not limited in the total number of horses they may exhibit. Exhibitors may show more than one horse in the following classes: Halter, Trail, Reining, Ranch Horse Pattern, Ranch Horse trail, Barrell Racing, Flag Race, Pole Bending and Keyhole. If a 4-H member has multiple horses in a halter class, the horse must be exhibited by another currently enrolled Riley Co 4-H'er.

Class 913	Junior Age 7-9
Class 914	Intermediate Age 10-13
Class 915	Senior Age 14 and over

DEPARTMENT 10—HORTICULTURE AND LANDSCAPE DESIGN

Department Co-Chairs: Master Gardeners

ENTRY & JUDGING: Thursday, JULY 25; 1:00

1. Read general regulations.
2. Products exhibited in this division must have been grown in 2024 by 4-H club members enrolled in the project.
3. Exhibits in this division need not be mature. Efforts should be made, however, to select the most mature entries possible.
4. Crop project members are encouraged to exhibit a sample of their crop.
5. A total of five entries in class 1001 and five entries in class 1030 are allowed.
6. In class 1001 vegetable varieties and class 1030 crops are to be named on exhibit card.
7. See brochure *Exhibiting Fruits and Vegetables* for more information.
8. Exhibits that qualify for the State Fair will need to follow State Fair guidelines.
9. The champion and reserve champion will be awarded in the garden and crop sections.

SECTION A-- GARDEN

Class 1001	Beans – plate of 6 same variety
	Beets – plate of 3 same variety
	Cabbage – 1 head
	Cantaloupe (Muskmelon) – 1 melon
	Watermelon or other melon (other than cantaloupe) – 1 melon
	Carrots – plate of 3 same variety
	Cucumbers – plate of 3 same variety
	Eggplant – 1 fruit
	Okra – plate of 3 same variety
	Onions – plate of 3 same variety
	Peppers – plate of 3 same variety
	Potatoes – plate of 3 same variety
	Pumpkin – 1 fruit
	Squash, summer – 1 fruit
	Squash, winter (other than pumpkin) – 1 fruit
	Sweet Corn – plate of 3 same variety
	Sweet Potatoes – plate of 3 same variety
	Tomatoes – plate of 3 same variety
	Turnips – plate of same variety
	Other Vegetable Crop
Fruit Crop (example – plate of 3 apples, or ½ pint blackberries)	

	<p>Garden Tray Exhibit – Limited to 1 entry, 5 different fresh vegetables on one tray. The five vegetables may be chosen from the following: Large: One each - Watermelon, Squash, Pumpkin, Eggplant, Cabbage, etc. Medium: 3 each - Cucumbers, Tomatoes, Carrots, Beets, Onions, Peppers, Parsnips, Okra, Irish potatoes, Sweet potatoes. ------------	--

FLOWERS AND PLANTS

Department Co-Chairs: Master Gardeners

ENTRY & JUDGING: Thursday, JULY 25; 1:00

1. Read general rules.
2. Exhibit cut flowers with foliage and long stem if possible.
3. Cut flowers should be exhibited in plain bottles.
4. Only members enrolled in Plant Science may exhibit cut flowers and a

- flower arrangement. One exhibit per class, unless specified.
5. The following points will be considered in judging cut flowers: Stem - Do the stems have good length and strength?
Uniformity of size – Are the specimens large for the variety and uniform in size?
Conditions of entry – Are flowers at proper stage of maturity, clean, not wilted?
Culture – Is exhibit free of insect injury, disease, and appearance of being vigorous?
 6. The following points will be considered in judging flower arrangements: Color combination - harmony and balance.
Relation to container - scale, color, texture Proportion and Balance
Distinction and originality - style, technique, and design
Suitability of combination of material - rhythm and flower shape Condition
 7. House plants must have been grown by the exhibitor for at least two months.
 8. See brochure Preparing Cut Flowers for Exhibit for more information.
 9. Champion and reserve champion will be awarded for flowers and arrangements/plants.

SECTION D—FLOWERS AND PLANTS

Each cut flower entry should be the best single specimen in plain container.

Class 1101	Rose – Single Stem (Variety to be named)
	Annual – Single Stem (up to two different entries)
	Perennial – Single Stem (up to two different entries)
Class 1104	Fresh Flower Arrangement (state purpose)
	Dried Flower Arrangement (NO artificial or silk flowers and state purpose)
	Cacti Plants and Succulent
	Potted Indoor Plant (Foliage or flowering)
	Container Garden
	Miniature and Fairy Garden

HORTICULTURE JUDGING CONTEST DIVISION

Department Chair: Gregg Eyestone

CONTEST: Saturday, JULY 27; 10:00 a.m. - noon

LOCATION: Pottorf Hall

1. 4-H'ers enter as individuals in either a junior or senior division.
2. Registration begins at 10:00 a.m.

DEPARTMENT 12— VISUAL ARTS

Department Chair: Stacy Kovar

Assistants: Kristin Holt, Judine Mecseri

Jr. Assistants: Olivia Mecseri, Brady Inman, Alena & Amaree Wiebers

ENTRY & JUDGING: Wednesday, July 24; 10:00 a.m.

SECTION A—VISUAL ARTS

1. Read general regulations.
2. Each 4-H'er may enter a total of five exhibits in this section. The Educational Exhibit will count as one of the five, and it should be a poster, notebook or educational display on classic and/or contemporary forms of art.
3. Five entries will be chosen by judges to go on to the State Fair for display from

this section. **Copyright: Kits and preformed molds are not considered original and are not acceptable in any State Fair Visual Arts Class but accepted at the Riley County Fair.**

4. A **Permanent** hanger **MUST** be attached so the artwork can be hung. Artwork without proper hangers will **NOT** be displayed. Unless art is made on canvas board that has wooden sides.
5. Junior, Intermediate and Senior champions and reserve champions will be awarded.

JUNIOR: 7-10 YEARS OLD

Class 1201	Fine Arts – Oil, chalk, charcoal, dyes, pastels, pencil, ink, watercolors, acrylics etc.
	Clay and Ceramics
	Leather and Jewelry
	Three-Dimensional – Must be observable on at least three sides
	General Crafts – not listed above
	Educational Exhibit

INTERMEDIATE: 11 - 13 YEARS OLD

Class 1210	Fine Arts – Oil, chalk, charcoal, dyes, pastels, pencil, ink, watercolors, acrylics, etc.
	Clay and Ceramics
	Leather and Jewelry
	Three-Dimensional – Must be observable on at least three sides
	General Crafts – not listed above
	Educational Exhibit

SENIOR: 14 - 19 YEARS OLD

Class 1220	Fine Arts – Oil, chalk, charcoal, dyes, pastels, pencil, ink, watercolors, acrylics, etc.
	Clay and Ceramics
	Leather and Jewelry
	Three-Dimensional – Must be observable on at least three sides
	General Crafts – not listed above
	Educational Exhibit

DEPARTMENT 13—FIBER ART

Department Chairs: Jada Sharp

Jr. Assistant:

ENTRY & JUDGING: Thursday, JULY 25; 10:00 a.m.

SECTION A – FIBER ART

1. Fiber Arts is defined as any method of creating a unique design with fiber, fabric, or yarn. This may include weaving, crochet, knitting, needlepoint; or when existing fabric is changed into something quite different such as quilting or embroidery.
2. NON textile (examples include wood reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.
3. 4-H members may exhibit a maximum of **four exhibits** in this section.
4. Members qualifying for the Kansas State Fair are permitted to exhibit one item per section, for a total of up to 3 items at State Fair.
5. When exhibiting articles normally worn as a pair, both articles must be

exhibited together. Fasten articles together with appropriate material for the article.

6. Labels: Type or print on 3"x 2 1/2" piece of cloth: class number and exhibitor's name. Sew or safety pin this ID label on the corner of flat articles. For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garment.
7. Wearable garments may be entered in Fiber Art and modeled as entries in 4-H Fashion Revue.
8. The exhibitor may attach an index card, no larger than 3" x 5", with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know. Explain whether the fabric was created by hand or by machine for the knitted article. Explain if the exhibit contains any recycled materials or is an original design.
9. When the exhibit is a sewn garment that also includes one or more Fiber Art techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting), the determination of what department (Clothing or Fiber Art) and class in which to enter will be left with the 4-H participant. 4-H'er must be enrolled in either Clothing or Fiber Art.
10. Exhibits from the Fiber Arts classes qualify for State Fair, if the exhibitor is at least 9 years of age and received a purple placing on the entry.
11. Junior and senior champions and reserve champions will be awarded in this section.

JUNIOR: 7- 9 YEARS OLD

Class 1301	Crochet
	Knitting – made by hand or machine, including felted items made from knitting
	Needle Arts – embroidery, cross-stitch, needlepoint, candle wicking, crewel, lacework and applique
	Patchwork and Quilting
	Rug Making – braiding, latch hook, tying etc.
	Spinning – a skein with minimum 10 yards in length
	Weaving – a fiber woven article
	Ethnic Arts – batik, mud cloth, bobbin weaving, tatting, felted items
	Macrame`
	Other – (not a qualified State Fair class)
Fiber Arts Educational Notebook - Should include a narrative section describing fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-to, photographs of completed projects, or other ways of educating others about fiber arts.	

INTERMEDIATE: 10-13 YEARS OLD

Class 1305	Crochet
	Knitting – made by hand or machine, including felted items made from knitting
	Needle Arts – embroidery, cross-stitch, needlepoint, candle wicking, crewel, lacework, and applique
	Patchwork and Quilting
	Rug Making – braiding, latch hook, tying etc.
	Spinning – a skein with minimum 10 yards in length
	Weaving – a fiber woven article
	Ethnic Arts – batik, mud cloth, bobbin weaving, tatting, felted items
	Macrame`

	Other – (not a qualified State Fair class)
	Fiber Arts Educational Notebook - Should include a narrative section describing fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-to, photographs of completed projects, or other ways of educating others about fiber arts.

SENIOR: 14-19 YEARS OLD

Class 1310	Crochet
	Knitting – made by hand or machine, including felted items made from knitting
	Needle Arts – embroidery, cross-stitch, needlepoint, candle wicking, crewel, lacework, and applique
	Patchwork and Quilting
	Rug Making – braiding, latch hook, tying etc.
	Spinning – a skein with minimum 10 yards in length
	Weaving – a fiber woven article
	Ethnic Arts – batik, mud cloth, bobbin weaving, tatting, felted items
	Macrame
	Other – (not a qualified State Fair class)
	Fiber Arts Educational Notebook - Should include a narrative section describing fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-to, photographs of completed projects, or other ways of educating others about fiber arts.

DEPARTMENT 14—SEWING AND TEXTILE DESIGN

Department Chairs: April Wendland
 Jr. Assistant: Alena & Amaree Wiebers

PRE-REGISTRATION: Due July 1

JUDGING: Thursday, JULY 18; Beginning at 8:30 a.m.

ENTER FOR DISPLAY: Clothing items judged on Thursday, JULY 18 will be accepted for display at the Riley County Fair on Thursday, JULY 25; 10:00-noon

1. Read general regulations.
2. Garment shall be carefully laundered or cleaned before exhibiting.
3. Labels:
 - (a) Type or print on a 3 x 2½ inch piece of cloth with name, address, class and club.
 - (b) Sew label on inside of garment (back of neck, center back of waistband); label each piece.
 - (c) Garment will not be accepted unless properly labeled when entered.
4. No exhibitor may enter more than six exhibits in any constructed clothing class, (recycled articles should be entered in construction class); exhibitor may enter one exhibit in the educational class.
5. **Exhibits must be brought in for display at the county fair on Thursday, JULY 25, 10:00 a.m. – noon to receive a ribbon and premium money.** Buymanship projects receiving Champion and Reserve Champion awards will be displayed during the County Fair.

6. Exhibitors will sign up at the time of entry for interview judging. Up to three exhibits may be interview judged.
7. No care labels will be required since they are not always available; however, exhibitors should know how to care for the fabrics they purchase.
8. Explanation of PREPARATION OF GARMENT FOR EXHIBIT. Place entry card on front left shoulder seam of garment or to the left side of waistband with hanger opening facing to the left, as if you were wearing the garment, so that the hanger opening faces the attached entry.
9. The same garment may be entered in the Clothing Department and Make It With Wool Contest.
10. Educational Classes -- Share with others what you learned in this project. If a poster, it must not be larger than 22" X 28". Exhibits may be notebooks, sewing baskets or other displays. Take care to select durable materials that will withstand Fair conditions. Display space must be no more than 12" high by 12" deep and 18" long; NO card table exhibits allowed. Name and club must be clearly marked on educational exhibits. See suggestions in the "Going Further" of the curriculum notebook lesson plans for ideas.
11. When the exhibit is a sewn garment that also includes one or more Fiber Art techniques (i.e., knitting, crochet, needle arts, or patchwork and quilting), the determination of what department (Clothing or Fiber Art) and class in which to enter will be left with the 4-H participant. The 4-H'er must be enrolled in either Fiber Art or Clothing.
12. Any "garment" or "outfit" can be entered; items must be made by the 4-H'er but can be made for someone else. (Example: Garment for infants or toddlers.) "Articles" may include home décor items such as pillows, curtains, tablecloth, tea towel, etc. Accessory items may also be entered, such as purses, gym bag, travel/garment bag, etc.
13. Item with original surface design (class 1440) may be a purchased item with design applied by machine or hand appliqué, or painted, dyed, bleached, etc.
14. Classes 1403, 1422, and 1432 pertain to a clothing item made of at least 50% recycled material (recycled means reusing an existing item in a new way). A 3" x 5" index card must accompany each entry describing the recycled materials and how they were used in the item.
15. Junior, Intermediate and Senior champions and reserve champions will be awarded to constructed items.

SECTION A—CLOTHING

CLOVERBUDS: 5-6 YEARS OLD

Class 1400	Constructed Article for youth enrolled in the cloverbud project
------------	---

JUNIOR: 7 - 9 YEARS OLD

Class 1401	Constructed Article, garment, or outfit
Class 1402	Educational Exhibit – clothing or buymanship
Class 1403	Recycled Clothing Item

INTERMEDIATE: 10 - 13 YEARS OLD

Class 1420	Constructed Article, garment or outfit
Class 1421	Educational Exhibit – clothing or buymanship
Class 1422	Recycled Clothing Item

SENIOR: 14 -19 YEARS OLD

Class 1430	Constructed Article, garment or outfit
Class 1431	Educational Exhibit – clothing or buymanship
Class 1432	Recycled Clothing Item

FOR ALL AGES

Class 1440	"Community Project"
------------	---------------------

Community Service Constructed Project:

The constructed item will be donated to a local organization that works with families and/or children in crisis or experiencing difficult transitions. These children/families often pickup and move from place to place with little or no warning. Offering these families their own constructed items gives them a sense of ownership and belonging. With all of this in mind, pick a cheery, colorful and fun fabric for constructed items. Items can include, but are not limited to pillowcases, fidget quilts, blankets, etc.

Each person can construct multiple items to donate, but only one will be judged.

DEPARTMENT 15—FASHION REVUE

Assistants: 4-H Council Fashion Revue Committee

PRE-REGISTRATION: Due July 1 – Pre-registration; no late entries accepted. Due July 5 – Descriptions for script are due by 5:00 p.m. Friday for those participating in the public revue; no late scripts or changes will be accepted.

JUDGING: Thursday, July 18; 8:30 a.m. – Manhattan Catholic School, 306 S. Juliette

SENIOR: 14-19 YEARS OLD

Class 1570	Females enrolled in Clothing and Textiles – Other
Class 1571	Females enrolled in Clothing and Textiles – Formal Wear
Class 1572	Males enrolled in Clothing and Textiles

DEPARTMENT 17—FOODS AND NUTRITION

Department Chair:

Assistants: Lisa Brummett, Hannah Sheppard, Hilary Robeck and Angie Bond, Janie Dunstan

Jr. Assistants: Maggie Brummett, Colby Inman, Madison and Carly Rombeck, Easton, Evea, Elliott Dunstan

ENTRY & JUDGE: Wednesday, JULY 24; 10:00 a.m.

1. Read general rules.
2. **ENTER DIVISION ACCORDING TO 4-H AGE.** A member can exhibit up to 4 entries in the appropriate age category. If showing an educational display that will be considered one entry. A member can exhibit up to 2 entries, in the yeast breads division. If showing an educational display that will be considered one entry. A member can exhibit one gift basket. The exhibit should contain 3 cookies, 3 muffins, 3 bread sticks, 1 cake, 1 loaf bread, 3 yeast rolls, etc. or as stated.
3. Remove baked products from baking pans and place on disposable plates or on covered cardboard, cut to fit the size of the product. Place all products, except cakes, in a clear plastic bag.

****Perishable Foods are considered:**

- Those with custard and cream cheese type fillings and frostings, or foods that require refrigeration.
 - NO separate layers of perishable products in products
 - NO bacon of any kind allowed.
 - NO fresh fruit garnishes.
 - NO alcohol should be included as an ingredient in food entries.
 - +++ Fruit and pecan pies **ARE** acceptable ++
4. If you decide to make a frosting or filling with perishable ingredients, you will need to provide the equation showing it has at least a 65% sugar content. Please find the equation in publication MF3544 <https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf>. If you do not provide the equation, your recipe will be considered perishable and will be disqualified.
 5. All frosted cakes shall be entered in cardboard boxes or disposable plastic containers.
 6. All unfrosted cakes shall be entered in cardboard boxes or disposable plastic containers and in an upright position with top crust showing, except for those cakes made with special designs such as Bundt cakes. They should have top crust side down. **Do not cut off the bottom of the cake.**
 7. Any baked product that cannot be removed from the pan should be exhibited in a disposable container.
 8. Loaves of bread must be whole and uncut. Cookies, muffins, cupcakes, biscuits,

and rolls must be the same shape and have the same recipe.

9. All ages may exhibit yeast breads at the county fair.
10. Exhibitors must receive a purple ribbon at the county fair and be 9 years old as of January 1, 2024, to exhibit at State Fair.
11. All exhibits are to be labeled and recipe attached when entered.
 - (a) The label should be pasted on the bottom and should give a class number, name of exhibitor.
 - (b) Each food exhibit must be labeled on the bottom with a descriptive name of the product. Examples: Banana Nut Bread; Double Chocolate Layer Cake
 - (c) Entry tag should be filled out completely and placed with exhibit before the transparent wrap is put on. Name and class number must be visible.
 - (d) A recipe must be included with each exhibit. The source should appear on the recipe card; also include contestant's name and 4-H club. **If no recipe the entry will be docked one ribbon placing.**
12. All food products, except Creative Bread Shaping will be judged on appearance and taste. Emphasis will be placed on nutritional value of foods.
13. A small portion of all non-perishable food items will be put on display for the public. Displayed food will be monitored throughout the fair and any food that begins to deteriorate will be discarded.
14. Sale of Food Products: Non-perishable exhibits will be placed on sale with the proceeds going to the 4-H Council. The sale, conducted by the Foods/Nutrition Department will start Wednesday, JULY 24; 3:00 p.m. and again Thursday, JULY 25; 8:00 a.m.
15. **2024 4-H Food Project Auction:** 4-Hers receiving champion, reserve champion, and champion wheat (yeast bread) entry will have the opportunity to sell a food product during the 4-H Auction on Monday, JULY 29; 6:45 p.m.
Guidelines:
 - (a) 4-H'er will be required to complete an "intent to sell card" and return it to the Fair Office by Saturday, JULY 27; 10:00 p.m.
 - (b) No 4-H'er may sell more than one item in the Auction (food or animal).
 - (c) 4-H'er will be required to bring a freshly baked product to the sale. Baked product should be packaged in a non-returnable covered container of the 4-Hers choice. Items should be packaged as follows:
 - Cake, pie, bread ring, bread loaf, quick bread, etc. –1
 - product Cookie, bar cookies – 3 dozen
 - Muffin, rolls, etc. – 2 dozen
 - (d) 4-H'er must accompany their exhibit and be present at the auction to participate in the 4-H Food Project Auction. 4-H'ers are expected to sell at their assigned time as listed in the sale program.
16. **EDUCATIONAL DISPLAYS:**
ENTRY & JUDGE: Wednesday, JULY 24; 10:00
 - (a) Displays indicated under each project level are related to information from the 4-H project material and will be based on the current USDA guidelines.
 - (c) A **poster** or **notebook** describing and explaining the chosen subject may be used. Color pictures, drawings, and/or written descriptions may be included. Check the project material for guidance.
Educational Poster will illustrate information/skills learned in the project such as food science principles, nutritional value of food, cost comparisons, characteristics of special ingredients, and meal management.
Menu planning notebook for an individual: four weeks, one for each season. Take into account age, sex, activity level, desirable weight. Menus should provide adequate nutrition at a moderate cost. Include costs of meals and explain how menus fulfill the current Choose My Plate recommendations and USDA dietary guidelines.
Poster size is 22" x 28" and must be able to be hung in poster racks at the fair. Posters will be judged on 60% nutrition information and 40% appearance.
- (d) Poster should be 3 or 4 ply.

17. Junior, Intermediate and Senior champions and reserve champions in Food and one champion and reserve champion will be awarded in the Yeast Breads division.

SECTION A-FOODS

CLOVERBUDS: 5-6 YEARS OLD

Class 1700	Food Product for youth enrolled in the Cloverbud project
------------	--

JUNIOR: 7-9 YEARS OLD

Class 1710	Food Product
Class 1711	Educational Exhibit

INTERMEDIATE: 10-13 YEARS OLD

Class 1720	Food Product
Class 1721	Educational Exhibit

SENIOR: 14-19 YEARS OLD

Class 1730	Food Product
Class 1731	Educational Exhibit

SECTION B—YEAST BREADS

(must contain yeast)

(For all ages enrolled in foods and nutrition)

Champion & Reserve Champion will be named in the Yeast Breads section

Class 1750	All Yeast Products
Class 1751	Educational Display

SECTION C—FOOD GIFT PACKAGE

(For all ages enrolled in foods and nutrition)

Champion & Reserve Champion will be named in the Food Gift Package section.

Class 1760	<p>Food Gift Package ---</p> <p>A food gift package must contain at least 3 different non-perishable food items, prepared by the 4-Her, in a suitable container no larger than 18"x18"x18". All items exhibited within the gift basket must conform to the rules and regulations of the foods division. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On an attached piece of paper answer these questions: a) what is the intended use; b) what food safety precautions were taken during and after preparation? Prepared food items must have recipes attached with the entry. Herbs, vegetables and garlic in oil are considered perishable.</p> <p>Canning jars should not be used for baking per manufacturer's instructions. They could break during baking.</p>
------------	--

DEPARTMENT 19—FOOD PRESERVATION

Department Chair:

Junior Assistant:

ENTRY & JUDGE: Wednesday, JULY 24; 11:00 a.m.

1. Read general regulations.
2. All exhibits must have been preserved in 2023-2024 (after July 30, 2023) 4-H year. Limited to six entries.

3. Exhibits must be processed in clean, clear standard canning jars, with matching brand (ex: use Ball® lids on Ball® jars, or Kerr lids on Kerr jars, etc.) two-piece lids. Do not use colored jars, fancy padded lids, fabric over wraps or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so (ex: Pickled asparagus.) Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size state in the recipe (ex: Salsa is canned in pint jars only, no quarts). Note: there are 12-ounce, 24-ounce and 28-ounce canning jars available and may be used. Use pint jar process recommendations for 12-ounce jars. Use quart jar process recommendations for 24 ounce and 28-ounce jars.
4. Each jar exhibited must be labeled with a uniform label placed 1" from the base of jar. You may need to make a label using an adhesive mailing label. The label must give: Class No, Division, Product, Canning Method (water bath, weighted gauge or dial gauge presser method), Altitude, Process Time, Pressure (psi), date processed including month and year, Name, and County/District.
5. Judging: The exhibits will be judged on recipe and quality of canned product. Current USDA recommended methods must be used. No open kettle or oven canned processed food will be allowed. Pickles and sweet spreads must be finished using the water bath process for the altitude of where processed. Low acid products must be pressure processed properly for the altitude of where processed.
6. Each exhibit must include a copy of the complete recipe and instructions. Recipe must include recipe source, date of publication and altitude of where food was processed. If using Mrs. Wage's or Ball mixes, indicated the date purchased. **Recipes must be from 1995 to present date. Recommended recipe resources include:**
 - * K-State Research and Extension Food Preservation publications
 - * USDA Complete Guide to Home Canning
 - * So Easy to Preserve, 6th edition, The University of Georgia Extension
 - * Ball Blue Book Guide to Preserving
 - * Blue Complete Book of Home Preserving
 - * All New Ball Book of Canning and Preserving
 - * Canning mixes (i.e. Mrs. Wage's Ball)
 - * Pectin manufacturers (i.e. Sure-Jell, Ball)
 - * <http://www.rrc.k-state.edu/preservation/recipes.html>
 - * **Recipes not using a trusted source will be disqualified.**
7. Containers may be opened at the discretion of the judge.
8. Dried Foods: One kind of dried food product to be in a small jar, with lid but not sealed or other "see-through" container. Suggested amount: 1/3 to 1/2 cup, or 3 to 4 pieces per exhibit. All meat jerky should be heated to 160 degrees F (internal temperature using a metal stem-type thermometer. This is not the drying temperature! Jerky not heated to 160 degrees F will not be judged. Refer to pages 6-7 in the Extension publication 4-H 712 "Food Safety Recommendations for Fair Exhibits" for instructions to prepare meat jerky according to USDA recommendations.
9. **Riley County Fair and State Fair rule** – No alcohol should be included as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
10. Jar band is to be on the jar.
11. Junior, Intermediate and Senior champions and reserve champions will be awarded.

SECTION A—FOOD PRESERVATION

JUNIOR: 7- 9 YEAR S OLD

Class 1901	Sweet Spreads (Fruit and/or Vegetables), Syrups 1 jar
	Fruits, Juices, Fruit Mixtures (Salsa, Pie Filling, etc.) 1 jar
	Low Acid Vegetables (green beans, corn, etc. or vegetable (mixtures) 1 jar

	Pickles (Fruit or vegetable) Fermented Foods & Relishes & Chutney 1 jar
	Tomato/Tomato Products (Tomato Juice and Tomato Salsa) 1 jar
	Dried Meats 1 jar
	Dried Foods 1 jar

INTERMEDIATE: 10-13 YEARS OLD

Class 1910	Sweet Spreads (Fruit and/or Vegetables), Syrups 1 jar
	Fruits, Juices, Fruit Mixtures (Salsa, Pie Filling, etc.) 1 jar
	Low Acid Vegetables (green beans, corn, etc. or vegetable mixtures) 1 jar
	Pickles (Fruit or vegetable) Fermented Foods & Relishes & Chutney 1 jar
	Tomato/Tomato Products (Tomato Juice and Tomato Salsa) 1 jar
	Dried Meats 1 jar
	Dried Foods 1 jar

SENIOR: 14 AND OVER

Class 1920	Sweet Spreads (Fruit and/or Vegetables), Syrups 1 jar
	Fruits, Juices, Fruit Mixtures (Salsa, Pie Filling, etc.) 1 jar
	Low Acid Vegetables (green beans, corn, etc. or vegetable mixtures) 1 jar
	Pickles (Fruit or vegetable) Fermented Foods & Relishes & Chutney 1 jar
	Tomato/Tomato Products (Tomato Juice and Tomato Salsa) 1 jar
	Dried Meats 1 jar
	Dried Foods 1 jar

DEPARTMENT 20—CAKE DECORATING

Department Chair: Holly McHugh

Jr. Assistant: Teagan Reasoner

ENTRY & JUDGE: Wednesday, JULY 24; 11:00 a.m.

4-Hers may enter this division at the County Fair level if they are enrolled in either Foods and Nutrition or Self-Determined/Cake Decorating.

1. Only one entry per class.
2. A baked cake or a cake form may be used for decorating. The judge will check for baked cakes. Any batter or dough may be used for cookies. The base holder of the exhibit should not be any larger than 2" more than the exhibit.
3. Wedding and anniversary cakes can be no larger than a 14" base and 24" in height including decorations. Decorated cookies can be no larger than 12". Gingerbread Houses can be no larger than a 14" base and 12" in height including decorations.
4. To be eligible to enter a decorated cake at State Fair, the 4-H'er must be enrolled in the Foods and Nutrition project. All decorated cakes entered in the State Fair Foods and Nutrition Division must be baked cakes and will be judged for the quality of cake. There is no cake decorating at the Kansas State Fair. Decorated cake **forms** may be entered in the State Fair Open Class.
5. Junior and Senior champions and reserve champions will be awarded.

SECTION A—CAKE DECORATING

JUNIOR: 7-9 YEARS OLD

Class 2001	Cakes for Children
	Birthday Cake
	Novelty Cake
	Holiday Cake
	3 Decorated cupcakes (3 or 4" in diameter)
	3 Decorated Cookies (3" in diameter)
	1 Decorated Cookie (12" in diameter)
	Gingerbread House

INTERMEDIATE: 10-13 YEARS OLD

Class 2011	Cakes for Children
	Birthday Cake
	Novelty Cake
	Holiday Cake
	3 Decorated cupcakes (3 or 4" in diameter)
	3 Decorated Cookies (3" in diameter)
	1 Decorated Cookie (12" in diameter)
	Gingerbread House

SENIOR: 14-19 YEARS OLD

Class 2021	Cakes for Children
	Birthday Cake
	Novelty Cake
	Holiday Cake
	Anniversary Cake
	Wedding Cake
	1 Decorated Cookie (12" in diameter)
	Gingerbread House

DEPARTMENT 21—INTERIOR DESIGN

ENTRY & JUDGING: Friday, JULY 26; 9:00 a.m. Check in with Miscellaneous

1. Read general regulations.
2. Open only to members enrolled in the Home Environment project.
3. **Each exhibitor requiring floor space must contact the Extension Office by July 1 so that enough space may be provided.**
4. Articles may have been used, but if so, shall be carefully laundered or cleaned before being exhibited.
5. Only articles to be judged may be included in the exhibit.
6. Labels: Label must include: Name, address, club and class. Type on 1 x 3" white cotton tape and sew to article on underneath side near corner or edge. For furniture: a paper label 1 x 3" pasted or tied to the exhibit. Each piece making up an exhibit must be labeled.
7. One entry per class.
8. A summary including plans, explanation of how the items was made or refinished, and how it fits into the color and design of the room. Summary could also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Summary should be in a plastic protective sleeve and attached to the exhibit.

9. Design Boards must be on foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room.
10. Notebooks may include swatches, colors, stones, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge.
11. Champion and reserve champion will be awarded.

SECTION A—SINGLE EXHIBIT

Exhibit an article made or refinished by the 4-H'er for the home. Include a 3" x 5" index card explaining how the item was made or refinished, costs involved and how it fits into the color and design for the room. Posters must be no larger than 22" x 28" poster board. Include color scheme, wall treatment, floor treatment, samples, and/or floor plan for a room. Displays are not to exceed a standard commercial 3' x 4' tri-fold displayboard. Notebook may include floor plans, swatches, colors, stories, photographs and project records which detail what was accomplished this year.

Class 2101	Single Exhibit
Class 2102	Design Board
Class 2103	Notebook

SECTION B—GROUP EXHIBIT

Group exhibit shall be accompanied by a notebook which includes a story about the project, a color scheme and floor area record (available from Extension Office), budget and pictures. Also include a long-time plan for your improvements and a cost record of improvements made up to the current year. (Approximate exhibit space - 3 x 6 feet) Include different articles that can effectively represent work in project and pleasingly fill a 3 by 6 foot space. The record will tell the complete story, so exhibit doesn't have to include everything.

Class 2104	Group Exhibit
------------	---------------

DEPARTMENT 22—WOODWORKING

Department Chair: Mark Fritzson

Jr Assistant: Sarah Wendland

ENTRY & JUDGING: Friday, JULY 26; 9:00 a.m.

Read general regulations.

1. Open only to members enrolled in the Wood science project.
2. Exhibit must be complete with all measurements that would allow replication of the project (each article must be accompanied by the plan, blueprint, working drawings, sketch, etc. used for construction). Please note: a set of step-by-step instructions is not a plan. Label each article showing intended use.
3. Parents and/or leaders are requested to be silent observers and may ask questions only at the conclusion of the interview.
4. When judging woodworking articles, consideration will be given to usefulness, design, workmanship, choice of wood, suitability, and quality of finish.
5. All youth entered may utilize power tools according to curriculum recommendations.
6. Champion and reserve champion will be awarded.

SECTION A—WOODWORKING

Class 2201	Articles for Farm or Shop Use
	Lawn Furniture
	Household Furniture
	Other Articles not included in above classes (bird feeders, bird

	house, napkin holders, book ends, etc.)
	Piece of Repaired or Refinished Furniture (This class is open to those enrolled in Woodworking or Home Environment)
	Items Made from Kits

DEPARTMENT 23—ELECTRIC AND RENEWABLE ENERGY

Department Chair: Kelsey Thomas
Jr. Assistants: Harrison Thomas

ENTRY & JUDGING: Thursday, JULY 25; 2:00 p.m.

1. Read general regulations.
2. Open only to members enrolled in the Energy Management project.
3. Each exhibitor may enter up to two items per class.
4. Label each article giving owner's name, address, name of article and class.
5. Include construction plans or schematic diagrams with the display. Include written operating instructions with any exhibit that is not self-explanatory.
6. Exhibit must be operable. If battery power or other special power source is required, that must be included with exhibit.
7. Any necessary special equipment must be provided at the time of judging for testing of the exhibit.
8. No hand dipped solder may be used on exhibits.
9. Project members will provide their own computer.
10. Champion and reserve champion will be awarded.

SECTION A—ELECTRICAL AND ELECTRONICS

Class 2301	Educational Displays and Exhibits – This class includes any educational displays, exhibits or science fair projects which do not have a power source, i.e. exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology.
Class 2302	AC Electric Projects – Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have access to examine the quality of workmanship.
Class 2303	DC Electric Projects – Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring doorbell switches. All DC electric projects must include batteries supplied by 4-H'er. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.
Class 2304	Electronics Projects – Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit

	board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.
--	--

SECTION B—ALTERNATIVE ENERGY

All exhibits in this division are limited in size to standard, trifold, display boards (36" x 48") and items may not extend beyond 12" from the back board. All displays must be self-standing.

Class 2310	Educational Display - Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and created awareness.
Class 2311	Experiment – Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions and recommendations for future study

DEPARTMENT 24—ENTOMOLOGY

Department Chair: Sharon Dobesh-Beckman

Assistant: Camilla Roberts

Jr. Assistant: Taylor Roberts

ENTRY & JUDGING: Thursday, JULY 25; 1:00 p.m.

1. Exhibits are to reflect part of exhibitor's learning experience in the entomology project. Refer to the publication "*4-H Entomology: Collecting and Exhibiting*" revised April 2009 for guide lines on the project. **We are transitioning from the taxonomy as listed in the "Insects of Kansas" book to the taxonomy listed on the "insects in Kansas Book: 2022 Revised Taxonomy" which follows www.bugguide.net.**
2. A 4-H member may choose to exhibit in the collection educational class and/or notebook class for the phase in which his/her are enrolled..
3. Collections for all phases are to be placed in **plexiglass** covered (Plexiglass required) wooden boxes with outside measurements of 18 x 24 x 3½".
See "4-H Entomology: Collecting and Exhibiting" publication. Exception: Introductory Entomology may be displayed in small cardboard or plastic display boxes (one or two boxes with total display area no more than 130 square inches): Boxes can be homemade by placing a layer of polystyrene foam in the bottom of a shoe box, school box or storage container, or can be purchased from a biological supply company. For the exhibit, the boxes should be covered with a piece of plastic wrap or acrylic glass taped across the top of the box.
4. Each exhibitor is required to identify each box with two identification labels by placing an identification label bearing exhibitor's name, county or district, the class and **statement of taxonomy used**. The number of order, specimens (and families where required) must be included on both of the exhibitor's box identification labels. One label goes in the upper left hand corner of the box (inside) of each box, and another on the lower right corner on the outside of the box. Only one adult insect per species can be used in the collection boxes and notebook classes, unless labeled as male or female and correctly identified. Arrange specimens in the box so it can be displayed lengthwise. Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label is a date/locality label. Full county name, state

abbreviation should be on the second label. "Collector's name (or host) on the date/locality label is optional". 4- H'ers may choose to use one of two taxonomies:

(a) as Printed in "Insects of Kansas" book or

(b) As printed on the "Insects in Kansas Book:2021 Revised Taxonomy", which Follows www.bugguide.net.

5. Specimens in a collection may be carried over from year to year, as long as they are in good condition and are mounted properly. All specimens in poor condition should be replaced except for the "rare find." A battered "rare find" is better than no find at all. As a 4-H member moves from one phase to another, there should also be added a substantial number of new specimens.
6. When exhibiting in a class for more than one year there should be a definite improvement from year to year.
7. Insect specimens for county exhibits may be collected from any state, but remember, if you should be able to go to the State Fair, it requires that insects be from Kansas or one county into bordering states and labeled accordingly to count. **Insects may be collected from one county into bordering states and labeled accordingly. Please refer to "Entomology Collection Exhibit Resource" for full details on out- of-state insects in collections. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.**
8. Only specimens of the class Insecta should be included.
9. **Educational classes** are limited to one standard box and a maximum of 150 specimens, and work performed during the current year. The title of the exhibit should be indicated inside the box. The purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc., of the insects and related arthropods. Subject matter can be varied as the animals themselves.
10. Specimens of soft bodied insects such as aphids, lice, collembola, termites etc. should be exhibited in alcohol filled vials, however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.
11. Interview judging is available. Sign up at time of entry.
12. Introductory Entomology does not qualify for State Fair.
13. Champion and reserve champion will be awarded in: Introductory, beginning, Intermediate and Advanced.

SECTION A-ENTOMOLOGY

INTRODUCTORY ENTOMOLOGY

Class 2401	Introductory Entomology Designed for Beginners: 4-H'ers may exhibit in this class a maximum of three years. Insects may be displayed in one or two boxes (see rule # 4 above). Number of specimens: 15 minimum, 30 maximum. Collections must contain a minimum of six orders, with a minimum of two specimens in six orders exhibited. Follow the general guidelines listed for collections and labels. This class does not qualify for State Fair.
------------	---

BEGINNING I ENTOMOLOGY

Class 2402	Class Collection: This class consists of a collection displayed in one standard box with a minimum of 50 and a maximum of 125 species representing at least 7 Orders. Specimens should be grouped in the box according to order. Order labels should be pinned to the base of the box. Follow the general instructions above. State Fair
------------	--

	qualification: members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon in this class at the Kansas State Fair, whichever comes first.
--	---

BEGINNING II ENTOMOLOGY

Class 2403	Class Collection: This class consists of a collection displayed in one standard box with a minimum of 75 and a maximum of 150 species representing at least 9 orders. Specimens should be grouped in the box according to order. Follow the general instructions above. State Fair qualification: members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon in this class at the Kansas State Fair.
Class 2404	Beginning I & II Educational Exhibit, see rule 9

INTERMEDIATE CLASS

Class 2420	Class Collection: This class consists of a collection displayed in one or two standard boxes with a minimum of 100 and a maximum of 300 insects representing at least 10 Orders. Family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging) (a) "Insects in Kansas" book – Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera and/or Diptera OR (b) "Insects in Kansas Book: 2021 Revised Taxonomy", which Hemiptera, Coleoptera, Hymenoptera and/or Diptera. On a piece of paper list what you did to improve your collection during the current year. State Fair qualification: members can exhibit in this class a maximum of 3 years.
Class 2421	Intermediate Educational Exhibit, see rule #9

ADVANCED ENTOMOLOGY

Class 2430	Class Collection: This is a display of a minimum of 150 and a maximum of 450 insects representing at least 12 orders. Three standard boxes can be used. Family identification is required for all insects belonging to the six basic Orders (those listed under the Intermediate Class). Family identification of insects in the remaining Orders is optional, but desirable as long as accuracy is maintained. All butterflies appearing in the collection should be labeled with the correct common name. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership. <i>State Fair qualification:</i> member may continue to exhibit in this class at the State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership. On a piece of paper list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied attach a paper to the back of one of the display boxes. Member must list on the back of the box what he/she did this year to improve the
------------	--

	project.
Class 2431	Advanced Educational Exhibit, see rule #9

NOTEBOOK CLASSES:

Individual entries are to be placed for display in a three-ring notebook for competition.

1. 4-H'ers may choose to use one of two taxonomies:
 - (a) **“Insects in Kansas” book – Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or**
 - (b) **“Insects in Kansas Book: 2021 Revised Taxonomy”, which follows www.bugguide.net – Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera and/or Diptera.**
2. 4-H'ers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory phase.
3. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitors name, county or district and class 4-H'er is enrolled in and state of taxonomy used. The number of orders, specimens and families (required in Intermediate and Advanced classes) must also be included on the Titlepage.
4. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
5. Date, common name, full county name and state abbreviation should be included for each species. Collector's name on the specimen page is optional.
6. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
7. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.
8. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page as well on the front of the divider page.
9. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.
10. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.
11. A special project must be competed each year and included in the notebook. See project guideline materials for specifications. <http://www.kansas4-h.org/agriculture-and-natural-resources/entomology>

SECTION B—ENTOMOLOGY COLLECTION NOTEBOOKS

Class 2440	Introductory Collection Notebook - Display a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Follow the general guidelines listed for Notebooks, including the special project. A 4-H member may exhibit in this class for a maximum of two years.
Class 2441	Beginning Collection Notebook - Display a minimum of 20 and a maximum of 60 insect species representing at least 7 different orders. Follow the general guidelines listed for all Notebooks, including the Special project. A 4-H'er may exhibit in this class for a maximum of three years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 2442	<p>Intermediate Collection Notebook Display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the general guidelines listed for Notebooks, including the Special project. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging).</p> <p>(a) “Insects in Kansas” book – Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera OR</p> <p>(b) “Insects in Kansas Book: 2022 Revised Taxonomy”, which follows Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera and/or Diptera.</p> <p>A 4-H'er may exhibit in this class for a maximum of three years. A 4-H'er may move up if they receive a purple ribbon.</p>
Class 2443	<p>Advanced Collection Notebook -Display a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general rules listed for Notebooks, including the Special project. Follow the general guidelines listed for Notebooks. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership</p>

SECTION C – ENTOMOLOGY EDUCATIONAL DISPLAY

Share with others what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the Teaming with Insects curriculum that does not fit into Entomology Collection or notebook classes. The exhibit may be, but is not limited to original work, digital presentations, programs, websites, games, apps, display box, notebook, display or poster which you have made. If the exhibit is a wooden display box, it must be 18 X 24 X 3.5 inches with a clear plastic top and displayed horizontally. If the exhibit is a poster, it must not be larger than 22 x 28. If the exhibit is a display, maximum size is not exceed a standard commercial 3' x 4' tri-fold display board.

Class 2450	Beginning Educational Display 9-12 age
Class 2451	Intermediate Educational Display 11-14 age
Class 2452	Advanced Educational Display 13 or older

DEPARTMENT 25—GEOLOGY

Department Chair: Wally Mack and Chris Anderson
 Jr. Assistant: Alexandra Anderson

ENTRY & JUDGING: Thursday, JULY 25; 10:00

INTRODUCTORY RULES ONLY

1. Limited to those 7, 8 and 9 years of age.
2. Be enrolled in the geology project.
3. Identify each display by placing an identification label bearing the member's name, county, number of specimens, and class number in the upper left-hand corner on the back of the display.
4. All specimens must be collected in the state of Kansas during the 4-H year.

SECTION A—INTRODUCTORY GEOLOGY

Class 2501	<p>Display at least five fossils and five rocks and/or minerals. Group the specimens according to these two categories. Each specimen should be glued to a piece of white poster board or foam core board no more than 18" x 24". The class name should be written at the top of the display. The following information should be written about each specimen on a small sheet of white paper or a white note card and glued underneath the appropriate specimen. For fossils write: (a) the number, (b) the date collected, (c) the location where it was found, (d) whether it was a plant or animal, (e) the kind of environment in which it might have lived, (f) whether it is portion or a complete fossil, (g) its name (optional). Rocks and minerals should be displayed so that a freshly fractured surface is visible. For rocks and minerals write: (a) the number, (b) the date collected, (c) the location where it was found, (d) its color, (e) its hardness (from very soft to very hard), (f) the texture of its fractured surface (from very smooth to very rough), (g) its luster (shiny or dull), (h) its name (optional). During county fair judging, no points will be deducted for incorrect identification of rocks, minerals or fossils</p>
Class 2501 continued	

GENERAL RULES:

1. Be enrolled in Geology Project.
2. The standard size exhibit box should be 18x24x31/2". All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep. The plexiglass cover must be removable from the top. Screws, locks or other devices that would prevent judges from removing cover should not be used.
3. Each exhibitor is required to identify each display box by placing an identification label bearing name, county and number of specimens in the upper left-hand corner of the plexiglass cover (inside-use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower corner of the box (outside). The inside label is also to indicate the class number.
4. Exhibitor may enter in both geology and lapidary classes. Exhibitor may show in only one of the first four geology classes (2502, 2503, 2504, or 2505). Exhibitor may also show in geology class 2506 (special exhibit) and in one of the lapidary classes.
5. Specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county only) where collected.
6. Specimens should be mounted in the box by the proper groups - rocks, minerals, fossils. Fossils must be identified to the Phylum, Class and Genus Level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words "phylum, class, genus" on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone); calcite from the Greenhorn formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopod Class: Articulata Genus: Composita.
7. All specimens must be collected (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa county, OK: Newton and Jasper Counties, MO. Out-of-state specimens may be exhibited in a marked section of the display, but these are not to comprise the major portion of the exhibit. OUT-OF-STATE SPECIMENS WILL NOT COUNT IN THE MINIMUM NUMBER FOR THE CLASS, NOR WILL THEY BE CONSIDERED IN THE JUDGING.

8. Interview judging is available. Sign up at time of entry.
9. Champion and reserve champion will be awarded.

SECTION B—GEOLOGY

Class 2502	Display at least 15 different rocks, minerals or fossils collected during the current 4-H year. Limited to one exhibit box. Fossils must be identified at the Phylum level. <i>For State Fair qualifications:</i> those exhibiting at State Fair for the first time may enter this class.
Class 2503	Display at least 30 different rocks, minerals or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Limited to one exhibit box. Fossils must be identified at the Phylum level. <i>For State Fair qualifications:</i> this class open to those exhibiting either first or second time at State Fair.
Class 2504	Display at least 45 rocks, minerals or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; exact species must have different formation names listed on the I.D. card; Composita Brachiopod from Morrill Limestone not just Brachiopod or Composita Brachiopod). Exhibit limited to two boxes 18" x 24" x 3 1/2" with plexiglass covers. Rocks must be identified by their proper name and type (igneous, sedimentary, and metamorphic). These rock types must be spelled out on labels or have a legible key. Fossils must be identified at the Phylum level. <i>For State Fair qualifications:</i> this class is open to those exhibiting either the third or fourth time at the State Fair.
Class 2505	Display at least 60 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current year 4-H year. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; exact species must have different formation names listed on the I.D. card; Composita Brachiopod from Morrill Limestone not just Brachiopod or Composita Brachiopod). Exhibit limited to two boxes 18"x 24 x 3 1/2" with plexiglass covers. Rocks must be identified by their proper name and type (igneous, sedimentary, and metamorphic). These rock types must be spelled out on labels or have a legible key. Fossils must be identified at the Phylum, Class and Genus levels if possible. <i>For State Fair qualifications:</i> this class is open to those exhibiting the fifth time or more at the State Fair.
Class 2506	Geology Educational exhibit relating geology to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Exhibit limited to 4 feet of table space or not more than two exhibit boxes.

	Exhibitor may show in the class regardless of number of times he or she has exhibited at the County Fair or whether exhibitor has entries in classes 2502, 2503, 2504, and 2505. Exhibitor may also exhibit in any lapidary class. Digital formats are accepted. Please make arrangements for the judge to view your exhibit and have a hard copy for display. <i>For State Fair qualifications:</i> exhibitor may show in the class regardless of number of times he or she has exhibited at State Fair or whether exhibitor has entries in other classes. Exhibitor may also exhibit in lapidary class.
Class 2507	Mineralogy Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box. The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (i.e.: CaCO ₃ for calcite) if known.

SECTION C—LAPIDARY

The lapidary classes will be judged on the following criteria: workmanship and content, 60 points; presentation and showmanship, 30 points; accuracy of information, 10 points. An exhibit box smaller than the standard size may be used for the lapidary exhibits if appropriate (18"x12"x3 1/2"). But cannot exceed 18"x24"x3 1/2". Specimens should be arranged across the 18" dimension of the exhibit box, making the exhibit 18" across the top and 12" deep.

Class 2508	Lapidary. Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of "Before and After", nor do they have to be self-collected. Locales must be identified.
Class 2509	Lapidary. Display before and after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H'er collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.
Class 2510	Lapidary. Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-H'er, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.
Class 2511	Lapidary. Display before-and- After examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H'er, at least two of which comes from Kansas. Locals must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.
Class 2513	Lapidary. Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face,

	or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.
--	--

DEPARTMENT 26—PHOTOGRAPHY

Department Chair: Brandy McDonald

Assistant Chair: Donna Parks, Janie Dunstan

Jr. Assistants: Jameson & Laney McDonald, Easton, Evea,

Elliott Dunstan, Katelyn Shippy, Alena & Amaree Wiebers

ENTRY & JUDGING: Tuesday, JULY 23; 1:00 p.m.

1. Exhibitors must be enrolled in photography. Digital and film pictures will not be separated.
2. Exhibitors may enter **3 entries per class** in their experience level plus 2 entries from the Section B-Specialty Photography classes.
3. Entry slips should be taped to the back of the photo mount.
4. Tape with masking tape a name slip (available at the Extension Office) on front bottom.
5. No lettering or date stamp is permitted on the photo or on the front of the mount, only on the form provided. If a date, border or underlay are on the photo, the ribbon placing will be lowered one ribbon.
6. All photographs must be the result of the current 4-H year's work and by the entrant.
7. Each photo entered must be from a different original picture.
8. Mounting instructions:

Display board entries must be 11" x 12 1/2" white or cream colored studio mount. Photos mounted on foam core or poster board will not be displayed. Photos must be mounted across the **narrow (11") dimension** of the board. Photos must be mounted with the top edge of the print 1" below the top of the mount board. The sides of the print must be equal distances from the

11" across top
1" from top

two sides of the mount board. A full coverage permanent mount (spray adhesive recommended or heat mount) must be made. Remove white border from the enlargement before mounting. Improperly mounted photos will be lowered one ribbon placing. Place photo in a 2 gallon self-sealing bag. Bags are the responsibility of the exhibitor.

9. Junior, intermediate and senior champions and reserve champions will be awarded in both color and black/white divisions.
10. The black and white class is for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class.
11. Appropriate photo subject matter: Photographic subject matter is expected to follow 4- H standards. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the county fair.
12. Photos with live subject(s) on railroad right away or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and **will be disqualified and not judged**.
13. Copyright protections must be observed.
14. **Special class in the Open Class Division– “Scenes of Riley County”** – Every year a new Riley County object will be the focus of the picture. This year the Riley County Scene will be focused on **“Windmills of Riley County”**. All pictures must be taken in Riley County, a description of the barn and location of the scene must be included on the back of the photo. The winning photo will receive a special ribbon

and will be hung in the Riley County Courthouse for one year. Photos will be 7"x9" or 8"x10" enlargement and color only. Cropping is allowed by No digital manipulation of the photo allowed. Only one entry person. Please refer to page 78 for information.

SECTION A—PHOTOGRAPHY

Phase: 3 years or less in photography project

Class 2601	Best 7" x 9" to 8" x 10" color enlargement; cropping allowed
Class 2602	Best 7" x 9" to 8" x 10" black and white enlargement; cropping allowed

Phase: 4 years or more in photography project

Class 2610	Best 7" x 9" to 8" x 10" color enlargement; cropping allowed
Class 2611	Best 7" x 9" to 8" x 10" black and white enlargement; cropping allowed

SECTION B – SPECIALITY PHOTOGRAPHY (Experience level not a requirement.)

Digital Composite Image:

Class 2650	<p>Digital Composite Image</p> <p>Photo must be from original(s) taken by the exhibitor. Exhibitor must include a second 11 x 12-1/2 matte board mounted with standard size prints of the original photo(s) , 3x5 card(s) explaining what manipulation was done and a standard size print of the final photo. Optional, may include prints of editing steps. Photos showing editing steps may be layered. Explanation boards will be displayed as a group to explain and promote the class. Place both matte boards in the same protective plastic bag. Must use 2 photos to compile image in order to enter at Kansas State Fair.</p>
------------	--

Growth Portfolio:

Class 2653	<p>Growth Portfolio</p> <ol style="list-style-type: none"> Members are eligible for this class beginning with the third year of enrollment in the 4-H photography project. The exhibit will consist of one photo for each year of enrollment. Each photo must have been created in a different year and must be labeled with the year taken/project enrollment year. A maximum of 5 photos may be included if the member has 5 or more years of enrollment. Photos are not required to be in consecutive order. For example, a nine-year-olds with three years enrollment in photography is eligible to enter a growth portfolio. The portfolio in this example should have one photo from the seven year olds year, one photo from the eight year olds year and one photo from the nine year olds year. The growth portfolio class may start at any time in the member's photography career. For an older member, the growth portfolio would represent any five years in the project, for example, years 1,3,5,7 and 9 for a member having project enrollment totaling 9 years. Photos must be 8x10 and may be color or black and white and must be unmounted. An information sheet must accompany each photo giving
------------	---

	<p>brand and model of camera used to create the photo. The settings for focal length, aperture, mode, and shutter speed must also be listed.</p> <ol style="list-style-type: none"> 5. Skill set used to create photos and main goal for each year should be listed. 6. Beginning with photo 2, member description of GROWTH in project skill must be included on information sheet. 7. The exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each photo. A portfolio book will be required to exhibit.
--	---

Career Portfolio:

<p>Class 2654</p>	<p>Career Portfolio</p> <ol style="list-style-type: none"> 1. Member must have been enrolled in project for 5 (five) or more years OR member must be age 15-19 and been enrolled in project for at least two (2) years. 2. Exhibit will consist of ten (10) 8x10 photos showing skill development in one of the following photo areas: Portraiture, Special Effects (not done with computer), Landscape, Photojournalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). Photos may have been created over multiple project years. 3. Photos may be colored except if Black and White option is chosen and must be unmounted. 4. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode, and shutter speed must also be listed. 5. A one-page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described. 6. The exhibit will be presented in a notebook designed for portfolio review with the required pages. Only one portfolio project can be taken to the State Fair.
-------------------	---

PHOTO JUDGING CONTEST
Photography Department Chair

Contest: Saturday, JULY 27, 10:00 a.m. - Noon

Location: Pottorf Hall

1. 4-H'ers enter as individuals in either a junior (7-13) or senior (14 and over) division.

DEPARTMENT 27—FORESTRY

Department Chair:

ENTRY & JUDGING: Thursday, JULY 25 10:00 a.m.

1. All exhibits to be mounted on 8½" x 11" heavy stock paper and placed in loose leaf binders. (Magnetic or adhesive filler sheets for photographic prints are recommended.) Spray adhesive works well.
2. Name, club, age and year in project should be on front cover.
3. Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include (1) the proper common name as listed in the 4-H Bulletin 334, "List of Native Kansas Forest Trees"; (2) location (city and/or county) where collected; and (3) date (day-month-year) collected.
4. See Forestry Project booklet (4-H 279) for details on mounting and pressing.

5. Divide specimens into the following two sections: Native Kansas Trees, and Non- Native Trees.
6. **New** specimens are those specimens collected during the current 4-H year.
7. Have samples grouped according to the year (such as “old previous” and “new”). New specimens collected during current year, cannot be a duplicate species of a previous specimen. When replacing a “previously displayed” sample, the label must be updated and the specimen displayed in the “old previous” section.
8. Variations of varieties do not count as different species or specimens.
9. Interview judging will be offered. Sign up at time of entry.
10. Champion and reserve champion will be awarded.

SECTION A—INTERMEDIATE FORESTER

KNOWING TREES AS INDIVIDUALS

Class 2701	Beginning - Exhibit leaves of a minimum of 10 different native Kansas trees. Or leaf, twig with a bud, and fruit of five different native trees. Can include non-native specimens in addition to the required native Kansas tree specimens.
Class 2702	Intermediate - Leaf specimens only. Exhibit leaves of a minimum of 20 (includes at least 10 new in addition to those previously exhibited) different native Kansas trees. Or leaf, twig with a bud and fruit of 10 different trees (include at least 5 new in addition to those previously exhibited). Can exhibit non- natives in addition to native Kansas trees.
Class 2703	Senior - Exhibit leaves of a minimum of 30 (Includes at least 10 new leaves Kansas trees (not shrubs) Or leaf, twig and fruit of 15 different trees (includes at least 5 new in addition to those previously exhibited). Can exhibit non-native in addition to the required native Kansas trees.
Class 2704	Advanced - Exhibit leaves of a minimum of 40 different (includes at least 20 new specimens) different native Kansas trees. Or leaf, twig, and fruit of 20 different trees (includes 10 new plus those from previous exhibits). Exhibit can contain non-native in addition to the required native Kansas trees.

HOW A TREE GROWS

Class 2720	Display: Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibits an illustration of how a tree grows.
------------	---

TREE APPRECIATION

Class 2730	Display: Entry may include a research or reporting project notebook with no more than 10 pages based on the exhibitor's selected tree. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.
------------	--

SECTION B—SENIOR FORESTER

GROWING AND PROTECTING TREES

Class 2740	Display required notebook telling about project and pictures before, during and after planting seedlings.
------------	---

TREE CULTURE

Class 2750	Display required notebook showing your project work and include pictures of before, during and after woodlot improvement.
------------	---

HOW FORESTS SERVE US

Class 2760	Display collected wood samples (all or partial) and 500 word essay. Wood sample display to be mounted on poster board or any stiff mounting material no larger than 3' wide x 4' high. Essay should be displayed in a covered binder.
------------	---

EDUCATIONAL/CREATIVE EXHIBIT

Class 2770	Display: Entry must be directly related to tree identification or forestry. Type of exhibits is open (notebook, poster, collection box, etc.) Given a maximum size of 3' x 4'. Care should be taken to use durable materials that will withstand Fair conditions. This is a good class to exhibit an unusual collection.
------------	--

DEPARTMENT 28— AEROSPACE/ROCKETRY

Department Chairs:
Anna and Jonathan Hoepner
Jr. Assistant: Marek Wiebers

ENTRY & JUDGING: Friday, JULY 26; 1:30 p.m.

1. Read general rules.
2. 4-H members must be currently enrolled in the Aerospace/Rocketry program to exhibit in this division.
3. Each exhibitor may display one entry per class.
4. Exhibits must have been completed during the current year.
5. Junior and senior champions and reserve champions will be awarded in each section.

SECTION A—ROCKET

1. 4-H members must be currently enrolled in the aerospace/rocketry program to exhibit in this division.
2. All rockets displayed in this division must be constructed during the current 4-H year.
3. If a rocket qualified for the Kansas State Fair, exhibitors should read the State Fair rules for the Rocketry division as they may be different from those at the county fair.
4. Each exhibitor may enter up to two rocket exhibits that have been constructed during the current year. If two rockets are entered, one rocket must be a "model rocket kit" or the second may be entered into any other applicable class. An exhibitor may not enter two rockets in the same class.
5. 4-Hers are to complete and sign the rocketry information form, available from <http://rocketry.engtech4ks.com/> or your local extension office, and attach it to a 10"X13" "manila" envelope. The envelope should contain: • Instructions on how to construct the rocket • Up to 5 pages of pictures from both construction and launch • Documentation of any flight damage that occurred • Any modifications made to the rocket • An additional page for altitude calculations if the space on the form is not enough. Additionally for original design rockets, also known as "scratch built" rockets: • 5 additional pages of photos are allowed •
6. Documentation of how the rocket was tested for stability.

7. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's rocket, at the judges' discretion, will receive a participation ribbon.
8. Rockets are to be displayed upright on a display stand with a sturdy rod that does not extend past the top of the rocket or stand unassisted, unless the rocket is taller than 4 feet in which case no display stand is required and the rocket may be displayed on its side, rockets are not to be displayed on launch pads to save space and prevent someone from being poked in the eye.
9. Rockets ARE NOT to be displayed with used or unused rocket engines either in the rocket or as part of the stand, if rocket engines are included in the exhibit the judge may disqualify the exhibit.
10. Rockets should be flown, unless there is an active burn ban in the county or conditions are too dangerous to safely launch the rocket. Just flying the last stage (the part with the nose cone) of a multi-stage rocket is acceptable.
11. Beginner kits with prefabricated fin assemblies and pre-finished rockets requiring no painting are not acceptable and will be disqualified. Plastic snap together fins and prefabricated fin assemblies that do not require fin alignment are not acceptable and will be disqualified.
12. Angles of fins must fall within a plus or minus 2 degree variation using an approved fin alignment guide (such as KSSTAC10). An official fin guide is available from <http://rocketry.engtech4ks.com/>
13. Fins and body tubes, except those in the except those in the introductory division, are to be filled and sealed with sanding sealer and/or primer or other suitable filler to eliminate the appearance of body grooves and wood grain.
14. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model.
15. Engine mounts are to be securely attached to the body tube.
16. Any seams on plastic parts are to be sanded smooth.
17. Body tubes/airframes/engine mounts can be made from suitable materials, including, but not limited to: reinforced paper, cardboard, phenolic resin, specialized polymer resins, fiberglass, Kevlar, or other suitable structural materials. However, foam may not be used for external body or other external rocket parts.
18. The recovery system (typically a parachute or streamer) should be attached according to the instructions
19. The nose cone is to fit snugly but still allow for easy removal. If the shock cord frequently becomes stuck between the nosecone and body, it should be trimmed.
20. Exhibits must be uniformly painted and smoothly finished or finished as per rocket instructions, and have decals applied smoothly. The rocket should be free of "runs", "orange peel", or "crackling" in the finish.
21. Models may not be judged based on their paint scheme (colors and placement on the rocket), with the exception of rockets that fit the definition of a 'scale model*.' All other rockets do not have to follow the suggested paint scheme, allowing the 4-H'er to display maximum creativity in the finishing of their rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move the model from one ribbon placing to another.
22. "Scale models*" may be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.
23. "Scale Model*" Rockets are to be finished and completed with a majority (greater than 70%) of decals.
24. If a modification is made to the rocket, for example, adding a fin, a swing test must be conducted on the rocket, and the documentation provided. Changes to the paint scheme, changes/reduction in decals, and other non-structural changes are not considered modification and do not require a swing test.
25. Original design rockets cannot be a modification of a pre-existing kit and must be of original design.
26. Original design rockets must be designed by the exhibitor(s).
27. Exhibitor(s) must be 11 years of age (4-H age) or older to enter an original design

rocket. Original design rockets must include detailed instructions, so that someone could construct the original designed rocket just like a kit purchased at a store. Instructions can be as many pages as needed to convey full and complete construction techniques.

28. For a rocket entered in the original design classes, describe in the summary how the rocket was tested for stability prior to flying. Swing testing of the rocket is required. Other tests and calculations are encouraged. Exhibitors must include documentation of the swing test. Failure to swing test a rocket will result in a deduction of TWO ribbon placings.
29. A minimum of one additional page must be added to the rocketry information pack detailing the test(s) performed to insure stability. 4-Her's are strongly encouraged to provide as much detail as possible. Failure to provide adequate written documentation will result in a disqualification.
30. Rockets that use more than one 'D' engine or equivalent are consider mid or high power rockets in 4-H.
31. Mid and High Power exhibitors must be at least 14 years of age by January 1 of the current year.
32. In addition to the information packet completed for all rockets, a high power information form is to be completed and placed inside of the information packet. This may be downloaded from <http://www.kansas4-H.org/>
33. Exhibitors in the mid and high power divisions must hold memberships in either NAR or Tripoli organizations.
34. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such all mid and high power rocketry exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year.
35. All rockets in the mid and high power divisions are to be launched under adult supervision by the 4-H member who constructed the rocket.
36. For rockets launched using an engine(s) that have 160.1 ("H" engine or equivalent amount of smaller engines) Newton's-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification. The 4-H member should also hold or be attempting to attain their level 1 high power certification if launching on this large of an engine. * As defined by the National Association of Rocketry (NAR), a scale model is "any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle." The intent of scale modeling is, according to the NAR, "to produce an accurate, flying replica of a real rocket vehicle that exhibits maximum craftsmanship in construction, finish, and flight performance." (NAR "Pink Book" 50.1 4-1)

Division A – Exhibitors 7 through 13 years old

Class 2801	Rocket made from kit. Include plans
Class 2802	Scale Model Rocket. Made from kit, includes plants

Division B – Exhibitors 11-13 years

Class 2804	Rocket designed by exhibitor; not merely a modification of an existing kit. Include original plans
Class 2805	Scale Model Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.

Division C – Exhibitors 14 year and older

Class 2806	Rocket made from kit. Include plans.
Class 2807	Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans.
Class 2808	Rocket designed by exhibitor: that uses alternative skins; not merely a modification of an existing kit. Include plans.
Class 2809	Scale Model Rocket made from kit. Include plans.

Class 2810	Scale Model Rocket designed by exhibitor: not merely a modification of an existing kit. Include original plans and stability testing.
------------	---

Division D -Exhibitors 11 years and older

This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished product.

Class 2811	Rocket designed by 2 or more exhibitors: not merely a modification of an existing kit. Include original plans.
------------	--

Mid Power Rocketry (2x'D' to 'G' Engines) Guidelines:

Purpose: To allow for improved safety and judging of rockets that meet the requirements of 4-H mid-power rockets.

1. Exhibitors must be at least 14 years of age by January 1 of the current year.
2. The General exhibit rules for ALL categories apply.
3. In addition to the information packet completed for all rockets, a high/mid power information form is to be completed and placed inside of the information packet. This may be downloaded from <http://www.Kansas4-H.org/>. Click on KSF Packet link.
4. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such all exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However in the event that there is a modification in this code the Engineering and Technology Project Partnership Team may review and implement the modified code.
5. All rockets in this division are to be launched under adult supervision by the 4-H member who constructed the rocket.
6. If a rocket is launched using an engine(s) that has 160.1 ('H' engine or equivalent amount of smaller engines) Newton's-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification.
 - a. The 4-H member should also hold or be attempting to attain their level 1 high power certification, and should include supporting documentation of such (a copy of Level 1 card is sufficient).
7. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. In the case where the launch was a public event a substitute to a copy of the waiver is the Range Safety Officers (RSO's) contact information, launch location, and date.
8. Mid Power Rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to not to exceed 4-1/4" (four and one-quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base.

Division E -Exhibitors 14 years and older

Class 2812	Mid-power rocket made from kit or original design.
------------	--

High Power Rocketry Guidelines:

Purpose: To allow for improved safety and judging of rockets that meet the requirements of 4-H high power rockets.

1. Exhibitors must be at least 14 years of age by January 1 of the current year.
2. The General exhibit rules for ALL categories apply.
3. In addition to the information packet completed for all rockets, a high power information form is to be completed and placed inside of the information packet. This may be downloaded from <http://rocketry.engtech4ks.com> Click on KSF Packet link.

4. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such all exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However in the event that there is a modification in this code the Engineering and Technology Project Partnership Team may review and implement the modified code.
5. All rockets in this division are to be launched under adult supervision by the 4-H member who constructed the rocket.
6. If a rocket is launched using an engine(s) that has 160.1 ('H' engine or equivalent amount of smaller engines) Newton's-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification.
 - a. The 4-H member should also hold or be attempting to attain their level 1 high power certification and should include supporting documentation of such (a copy of Level 1 card is sufficient).
7. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. In the case where the launch was a public event a substitute to a copy of the waiver is the Range Safety Officers (RSO's) contact information, launch location and date.
8. High Power Rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to not to exceed 4-1/4" (four and one-quarter inch) thick and 8" square. The exhibitor's name, county or district, and age must be labeled on the base.

Division F -Exhibitors 14 years and older

Class 2813	High power rocket made from kit or original design.
------------	---

1. 4-H members must be currently enrolled in the 4-H Rocketry program to exhibit in this division.
2. If a rocket qualified for the Kansas State Fair, exhibitors should read the State Fair rules for the Rocketry division as they may be different from those at the county fair. Be sure to check class numbers, they may be different.
3. Each exhibitor may enter up to two rocket exhibits that have been constructed during the current year. If two rockets are entered, one rocket must be a "model rocket kit", the second may be entered into any other applicable class. An exhibitor may not enter two rockets in the same class.
4. 4-Hers are to complete and sign the rocketry information form, available from <http://rocketry.engtech4ks.com/> or your local extension office and attach it to a 10" x 13" "manila" envelope. The envelope should contain:
 - a. Instructions on how to construct the rocket
 - b. Up to 5 pages of pictures, pictures are to be attached to sheets of paper, from both construction and launch
 - c. Documentation of any flight damage that occurred
 - d. Any modifications made to the rocket except for paint scheme and decals.
 - e. An additional page for altitude calculations if the space on the form is not enough.
 - f. Additionally, for original design rockets, also known as "scratch built" rockets:
 - i. 5 additional pages of photos are allowed
 - ii. Documentation of how the rocket was tested for stability
5. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's rocket, at the judges' discretion, will receive a participation ribbon.

6. Rockets are to be displayed upright on a display stand with a sturdy rod that does not extend past the top of the rocket, or stand unassisted, unless the rocket is taller than 4 feet in which case no display stand is required and the rocket may be displayed on its side, rockets are not to be displayed on launch pads to save space and prevent someone from being poked in the eye.
7. Rockets ARE NOT to be displayed with used or unused rocket engines either in the rocket or as part of the stand, if rocket engines are included in the exhibit the judge may disqualify the exhibit.
8. Rockets should be flown unless there is an active burn ban in the county or conditions are too dangerous to safely launch the rocket. Just flying the last stage (the part with the nose cone) of a multi-stage rocket is acceptable.
9. Rockets, except those in the JR division, are not to be "beginner kits" or use prefabricated (molded plastic) fin assemblies, or pre-finished rockets requiring no painting, these are not acceptable outside the JR division, and should be disqualified. Rockets entered in the JR division may not go on to the Kansas State Fair.
10. Angles of fins must fall within a plus or minus 2-degree variation using an approved fin alignment guide (such as KSSTAC10). An official fin guide is available from <http://rocketry.engtech4ks.com/>
11. Fins and body tubes, except those in the introductory division, are to be filled and sealed with putty, sanding sealer, and/or primer or other suitable filler to eliminate the appearance of body grooves and wood grain.
12. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model.
13. Engine mounts are to be securely attached to the body tube.
14. Any seams on plastic parts are to be sanded smooth.
15. The recovery system (typically a parachute or streamer) should be attached according to the instructions
16. The nose cone is to fit snugly but still allow for easy removal.
17. Exhibits must be uniformly painted and smoothly finished without "runs," "orange peel," or "alligator skin" or finished as per rocket instructions (for example, no painting required), and decals, if used, are applied smoothly.
18. Models may not be judged based on their paint scheme (colors and placement on the rocket), except for rockets that fit the definition of a 'scale model*' and are entered in the scale model class. All other rockets do not have to follow the suggested paint scheme, allowing the 4-H'er to display maximum creativity in the finishing of their rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move the non-scale model from one ribbon placing to another.
19. "Scale models*" entered in the scale model class may be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.
20. "Scale Models*" displayed in the scale model class are to be finished and completed with a majority (greater than 70%) of decals. For all other rockets the use of decals is optional.
21. Original design rockets cannot be a modification of a pre-existing kit and must be of original design.
22. Original design rockets must be designed by the exhibitor(s).
23. Exhibitor(s) must be 11 years of age (4-H age) or older to enter an original design rocket.
24. Original design rockets must include detailed instructions, so that someone could construct the original designed rocket just like a kit purchased at a store. Instructions can be as many pages as needed to convey full and complete construction techniques.
25. For a rocket entered in the original design classes, describe in the

summary how the rocket was tested for stability prior to flying. Swing testing of the rocket is required. Other tests and calculations are strongly encouraged. Exhibitors must include documentation of the swing test. Failure to swing test a rocket will result in a deduction of TWO ribbon placings.

26. Rockets that use more than one 'D' engine or equivalent are consider mid or high-power rockets in 4-H.
27. Mid and High-Power exhibitors must be at least 14 years of age by January 1 of the current year.
28. In addition to the information packet completed for all rockets, a highpower information form is to be completed and placed inside of the information packet. This may be downloaded from <http://rocketry.engtech4ks.com/>
29. Exhibitors in the mid and high-power divisions must hold memberships in either NAR or Tripoli organizations.
30. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such all mid and highpower rocketry exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year.
31. All rockets in the mid and high-power divisions are to be launched under adult supervision by the 4-H member who constructed the rocket.
32. For rockets launched using an engine(s) that have 160.1 ('H' engine or equivalent amount of smaller engines) Newton's-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification. The 4-H member should also hold or be attempting to attain their level 1 high power certification if launching on this large of an engine.

Rocketry Educational Exhibits – Posters, Notebooks and Display Boards

Purpose: To allow 4-Hers to explore rocketry and aerospace outside the bounds of traditional modeling.

1. The General exhibit rules for ALL categories apply.
2. Exhibits are to have a clear link to the Engineering and Technology areas of astronomy, computers, rocketry, robotics and uncrewed aerial systems. Educational exhibits outside of these Engineering and Technology areas should be displayed in the other program areas. Exhibits that do not clearly show a clear and direct relationship to the Engineering and Technology project areas of ag-mechanics, ABC, astronomy, computers robotics, rocketry, or UAS as previously defined will be disqualified.
3. Exhibits in posters, notebooks and display boards must contain substantial supporting educational materials.
4. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of materials, knowledge gained, and content. An exhibit judging score sheet is available at <http://rocketry.engtech4ks.com/> For example, a rocket that may have crashed and/or is highly damaged may be made into an educational display poster that tells a great story with many lessons learned.
5. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
6. Educational displays are not to exceed a standard commercial 3'x4' tri-fold display board.
7. Educational project notebooks must be organized in a 3-ring binder.
8. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.

9. Engines and igniters for rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification.
10. Exhibits should possess the following qualities (in no particular order):
 - a. A Central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in
 - e. Be related to Astronomy, Computer System, Robotics, Rocketry, or Uncrewed Aerial Systems.

Division E -Exhibitors 9 through 13 years old

Class 2814	Rocketry Educational Display, or notebook, or poster board
------------	--

Division F-Exhibitors 14 years and older

Class 2815	Rocketry Educational Display, or Notebook, or Poster Board
------------	--

SECTION B—ASTRONOMY

1. The 4-H member must be currently enrolled in the Astronomy project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.
3. Telescopes entered in this division may be built from a kit or by original design. Pre-finished telescopes which require no construction or painting are not acceptable exhibits.
4. Telescopes are limited to no more than three feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
5. Each telescope exhibit must include a "4-H Astronomy Exhibit Information Form," which should be attached to the outside of a 10" x 13" manila envelope. You must also include construction plans (or a photocopy) of the telescope and place it inside the manila envelope. For notebooks, displayed boards, and posters, no additional exhibit information is required; no manila envelopes is needed for these exhibits.
6. At least Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8 1/2" x 11" page. A brief caption should accompany each photograph. Place photos in the 10" x 13" manila envelope. Up to 10 photos can be included.
7. The telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smoothly and tightly.
8. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.
9. Educational displays should be creative and showcase something specific the 4-H member has learned in the Astronomy project during the current 4-H year. Follow copyright laws, as explained in the General Rules. Site your sources of scientific information on your exhibit, when appropriate.
10. Educational displays are not to exceed a standard commercial 3' X 4' tri-fold display board. No card board table exhibits will be allowed. Care should be taken to use durable materials that will withstand fair conditions. No electricity will be provided.
11. Exhibitor's name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the telescope.
12. Astronomy educational posters must be no larger than a 22" x 28" poster board.
13. Astronomy project notebooks must be organized in a 3-ring binder.

Class 2816	Telescope made from kit
Class 2817	Telescope made from original design

SECTION C—ROBOTICS

1. 4-H members must be currently enrolled in the 4-H Robotics project to exhibit in this division.
2. Each exhibitor may enter one robot per class. Exhibit must have been constructed and/or completed during the current 4-H year.
3. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited.
4. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds.
5. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
6. Robots may be powered by an electrical, battery, water, air, or solar source only. Robots powered by fossil fuels/flammable liquids will be disqualified. Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. Remote controlled cars, boats, planes and/or action figures etc., are not allowed. A robot designed and constructed by two or more 4-H Robotics project members which is eligible for the Team Robotics Challenge, if entered. The Robotics Challenge is a separate class number and activity for general robotics. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electronic that could be used to inflict damage and/or harm to individuals, animal life, and/or property.
7. Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete the required tasks for this current 4- H year. In the event the robot uses a phone, tablet, or similar device for programming AND control of the robot a video will be used to evaluate the working condition of the robot.
8. Robots may be powered by an electrical, battery, water, air, or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels, flammable liquids, will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to inflict damage and/or harm to individuals, animal life, and or property.
9. Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. Robots programmed on phone/tablets need to have a specific program created, using motion controls to move the robot are not acceptable, for example “press forward on the screen to make the robot go forward”. Robotic arms (hydraulic or electric) are allowed. A remote is allowed, provided more than a single action happens when a single button is pressed on the remote. Remote controlled cars, boats, planes, and/or action figures, etc. are not allowed.
10. The exhibit must include written instructions for operation, construction plans, one to three pages of project photographs or a 5 minute CD, DVD, or video presentation, and robot programming information, if applicable. This information should be placed inside the 10” x 13” manila envelope mentioned above. The exhibitor may enter their electronic project listed under the electric program as under the robotics project if the exhibitor so chooses. Each exhibitor is required to complete the “ 4-H Robotics Exhibit Information Form” which is available through your local K-State Research and Extension office. This form must be attached to the outside of a 10” x 13” manila envelope.
11. Creativity, workmanship, and functionality will be strong criteria in judging the “Robot designed by Exhibitor” classes.
12. Exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the robot.
13. Educational displays are not to exceed a standard commercial 3’ X 4’ tri-fold Display board. No card board table exhibits will be allowed. Care should be taken to use durable materials that will withstand State Fair conditions. No electricity will be provided.
14. There are no county or district boundaries that must be adhered to in order to form a

4-H Robotics team. However, as mentioned in #1, each team member must be currently enrolled in the 4-H Robotics project.

Division A - Novice – One to Two Years in Robotics Project

Class 2818	Robot made from a commercial (purchased) kit
Class 2819	Robot designed and constructed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
Class 2820	Programmable robot made from a commercial (purchased) kit
Class 2821	Junk Drawer Robot -based curriculum robot

Division B – Intermediate – Three to Four Years in Robotics Project

Class 2822	Robot made from a commercial (purchased) kit
Class 2823	Robot designed and constructed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan
Class 2824	Programmable robot made from a commercial (purchased) kit
Class 2825	Junk Drawer Robot – based curriculum robot

Division C – Professional – Four or More Years in Robotics Project

Class 2826	Robot made from a commercial (purchased) kit
Class 2827	Robot designed and constructed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan
Class 2828	Programmable robot made from a commercial (purchased) kit.
Class 2829	Junk Drawer Robot – based curriculum robot

Division D – Team Robotics Project

This division is designed to encourage teamwork and cooperation among fellow 4-H members. As with many high tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project.

Class 2830	Robot designed and constructed by two or more 4-H project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit.
------------	---

SECTION E—UNCREWED AERIAL SYSTEM

1. The 4-H uncrewed aerial systems or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Uncrewed Aerial Vehicles (UAVs) or drones. Members explore the uses and applications of uncrewed aerial systems including how UASs link to other projects such as geology, robotics, electronics, crop science and many more.
2. The 4-H members must be currently enrolled in the 4-H project.
3. Each exhibitor may enter one exhibit per class and completed during the current 4-H year.
4. The information that accompanies the UAS must be limited to the 4-H Exhibit Information Form which is affixed to at 10" x 13" envelope. This envelope should NOT be attached to the UAS. This may be downloaded from <http://uas.engtech4ks.com/>
5. Exhibitor's name, county or district, age and year(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook and/or poster.
6. Educational posters must be no larger than 22" x 28" poster board.
7. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. Commercially available "Science Fair Presentation Boards" are encouraged. Exhibitors are encouraged to laminate all posters and maps or cover

them with clear plastic film.

8. Project notebooks must be organized in a 3-ring binder.
9. If modifications are made to the exhibit a page should be attached noting those modifications
10. Uncrewed Aerial System that includes or depict weaponry of any kind will be disqualified.
11. For scratch built UAS kits, modifications are made to the exhibit a page should be attached noting those modifications.

Junior Class 9-13 years

Class 2831	Unmanned Aerial System designed/constructed with remote control, The UAS must not be a mere medication of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
Class 2832	Unmanned constructed from a commercial kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board etc. This class is separate from Educational Exhibits. A tangible use would be mapping Russian olive trees, eroded soils and bindweed in fields. There are also many other non-agricultural UAS used that would be appropriate for this class.

Senior Class 14 years and Older

Class 2833	Unmanned Aerial Systems designed/constructed with remote control The UAS must not be a mere medication of the existing kit or plan you may not exhibit a UAS that is purchased off the shelf in this class.
Class 2834	Unmanned constructed from a commercial kit. This included the UAS, plus one or more of the following: video, notebook, poster, display board etc. This class is separate from Educational Exhibits. A tangible use would be mapping Russian olive trees, eroded soils and bindweed in fields. There are also many other non-agricultural UAS used that would be appropriate for this class.

SECTION F— AG MECHANICS WELDING

1. 4-H members must be currently enrolled in the Kansas 4-H Ag mechanics (welding) project.
2. Each exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year.
3. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.
4. Exhibitors are responsible for providing sufficient braking or “chocks” for trailer exhibits to ensure that the exhibits do not move once positioned. If using a wheel “chocking” mechanism, the two individual blocks should be connected together as a pair of chocks, so they do not become separated. At least one pair of chocks should be placed on each side of the trailer to prevent movement.
5. For trailer exhibits the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. A key for the locking mechanism should be left with the superintendent and labeled with the exhibitor’s name, county, and phone number.
6. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total demission’s and weight of the exhibit as described previously. Exhibit display boards should have a portable and moveable base and examples should be firmly affixed to the board to ensure all parts of the display stay together. No exhibits may be staked to the ground for display.

7. For exhibits with downward swinging parts, such as tailgates, that could pose a fall/striking/crushing hazard should have a tamper resistant locking mechanism such as a "zip-tie" or a "cotter-key" through a release pin that would prevent the swinging part from being accidentally released and falling on someone.
8. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
9. Repair projects having adequate original finish need not be repainted.
10. Cutting surfaces, such as blades, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam "pool noodles" and multiple layers of cardboard are acceptable.
11. Display cases for small exhibits are acceptable and must be easily opened so the item can be removed and examined as part of judging.
12. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
13. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
14. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
15. Each exhibit, except for display boards, must include an Ag Mechanics information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
16. Each exhibitor is required to complete the "4-H Ag Mechanics Exhibit Information Form" for each exhibit, except for display boards, which is available through your local K-State Research and Extension office or at <http://welding.engtechksu.com>
17. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit. All revisions of all forms previously released for the division dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year.
18. Each exhibit information packet should include the following items:
 - a. Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost.
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state.
 - c. If appropriate schematics or working drawings relating to the creation or repair, this is not required for display boards.
 - d. If appropriate operating instructions.

Introductory – Level 1 (about 1 - 3 years' experience)

This level is designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles and methods in the given area.

2835	Welding Display Board. A 3' x 3' display board with different pieces of metal attached illustrating different types of welds, each weld being labeled.
2836	Welding Ag Repair. Repair of ag equipment with welding
2837	Welding Ag Fabrication. Creation of new ag equipment with welding
2838	Welding General Repair. Repair of non-ag equipment with welding.
2839	Welding General Fabrication. Creation of non-ag equipment with welding
2840	Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.
2841	Brazing Repair
2842	Brazing Fabrication
2843	Smithing Display Board. A 3' x 3' display board with different pieces of forged metal attached illustrating different forms, each

	form being labeled.
2844	Smithing. A design forged with at least one formed element (twists or spirals for example).

Experienced – Level 2 (about 4 - 6 years' experience)

This level is designed for youth some experience in the project area allowing them to expand on common principles and methods in the given area.

2845	Welding Ag Repair. Repair of ag equipment with welding
2846	Welding Ag Fabrication. Creation of new ag equipment with welding.
2847	Welding General Repair. Repair of non-ag equipment with welding.
2848	Welding General Fabrication. Creation of non-ag equipment with welding.
2849	Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.
2850	Brazing Repair
2851	Brazing Fabrication
2852	Smithing. A design forged with at least two different formed elements (twists and spirals for example).

Advanced – Level 3 (about 7 - 9 years' experience)

This level is designed for youth with vast experience in the project area allowing them to master common principles and methods and expand on advanced techniques in the given area.

2853	Welding Ag Repair. Repair of ag equipment with welding
2854	Welding Ag Fabrication. Creation of new ag equipment with welding
2855	Welding General Repair. Repair of non-ag equipment with welding
2856	Welding General Fabrication. Creation of non-ag equipment with welding
2857	Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.
2858	Brazing Repair
2859	Brazing Fabrication
2860	Smithing. A design forged with at least three different formed elements (twists, spirals, and bulbs for example).

Master – Level 4 (10 or more years' experience)

This level is designed for youth substantial experience in the project area allowing them to master advanced techniques in the given area.

2861	Welding Ag Repair. Repair of ag equipment with welding
2862	Welding Ag Fabrication. Creation of new ag equipment with welding
2863	Welding General Repair. Repair of non-ag equipment with welding
2864	Welding General Fabrication. Creation of non-ag equipment with welding.
2865	Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.

2866	Brazing Repair.
2867	Brazing Fabrication.
2868	Smithing. A design forged with at least four different elements (twists, spirals, and bulbs for example).

SECTION G— EDUCATIONAL EXHIBITS (Posters, Notebooks, and Display Boards)

1. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
2. Exhibits are to have a clear link to the Engineering and Technology areas of astronomy, computers, rocketry, robotics, or uncrewed aerial systems, educational exhibits outside of these Engineering and Technology areas should be displayed in the other program areas. Just because an educational exhibit relates to the broad concept of Engineering and Technology does not qualify it to be displayed in the Engineering and Technology Educational Exhibit area. Exhibits that do not clearly show a clear and direct relationship to the Engineering and Technology project areas of ag mechanics, ABC, astronomy, computers, robotics, rocketry, or UAS as previously defined will be disqualified.
3. Exhibits in posters, notebooks and display boards must contain substantial supporting educational materials.
4. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet is available at <http://engtech4ks.com>. For example, a rocket that may have crashed and/or is highly damaged may be made into an educational display or poster that tells a great story with many lessons learned.
5. Follow copyright laws, citing all sources of information in a standard notation. Sources of information must be cited on the front of your exhibit, including all posters and educational display boards.
6. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. No card table exhibits will be allowed.
7. "Construction Kits" that are part of educational displays must be contained in cases (tackle boxes, sealable containers, etc.) that may not be larger than 1' x 2' x 2' and must have a latch which securely keeps all components contained in the "Construction Kits". Other components are to adhere to appropriate dimensions as stated elsewhere.
8. Educational Project notebooks must be organized in a 3-ring binder.
9. Any three-dimensional poster or display board exhibits may not be thicker than 2 inches.
10. Engines and igniters for rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification. This is for safety reasons and includes both spent and live engines.
11. Exhibitor's name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the notebook, and/or "Construction Kit." For education displays and/or posters the exhibitor's name, county, or district, age, and year(s) in project must be tagged or labeled on the back of the exhibit.
12. Exhibits should possess the following qualities (in no order):
 - a. A Central theme
 - b. What you want others to learn
 - c. Be designed and constructed in a manner befitting the exhibit
 - d. Be something you are interested in
 - e. Be related to Astronomy. Computer System, Robotics, Rocketry, or Unmanned Aerial System
 - f. As well as those characteristics described above.

13. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will receive a participation ribbon.

Astronomy – Intermediate Division (Ages 9 – 13)

2869	Astronomy Educational Display
2870	Astronomy Educational Notebook
2871	Astronomy Educational Poster

Astronomy – Senior Division (Ages 14 years and older)

2872	Astronomy Educational Display
2873	Astronomy Educational Notebook
2874	Astronomy Educational Poster

Aerospace/Rocketry – Intermediate Division (Ages 9 – 13)

2875	Aerospace/Rocketry Educational Display
2876	Aerospace/Rocketry Educational Notebook
2877	Aerospace/Rocketry Educational Poster

Rocketry - Senior Division (Ages 14 years and older)

2878	Aerospace/Rocketry Educational Display
2879	Aerospace/Rocketry Educational Notebook
2880	Aerospace/Rocketry Educational Poster

Robotics – Intermediate Division (Ages 9 – 13)

2881	Robotics Educational Display
2882	Robotics Educational Notebook
2883	Robotics Educational Poster

Robotics – Senior Division (Ages 14 years and older)

2884	Robotics Educational Display
2885	Robotics Educational Notebook
2886	Robotics Educational Poster

Robotics Team Robotics Project

2887	Team Robotics Educational Display
2888	Team Robotics Educational Notebook
2889	Team Robotics Educational Poster

Computer Science – Intermediate Division (Ages 9 – 13)

2890	Computer Science Educational Display
2891	Computer Science Educational Notebook
2892	Computer Science Educational Poster

Computer Science - Senior Division (Ages 14 years and older)

2893	Computer Educational Display
2894	Computer Educational Notebook
2895	Computer Educational Poster

Uncrewed Aerial System – Intermediate Division (Ages 9 – 13)

2896	Aerial System Educational Display
2897	Aerial System Educational Notebook
2898	Aerial System Educational Poster

Uncrewed Aerial System – Senior Division (Ages 14 years and older)

2899	Aerial System Educational Display
2900	Aerial System Educational Notebook
2901	Aerial System Educational Poster

DEPARTMENT 29—BANNER

ENTRY: Monday, JULY 22; 8:00 a.m. - 7:00 p.m.

JUDGING: Wednesday, JULY 24, 3:00 p.m.

No Pre-entry is needed.

1. Read general regulations.
2. Each banner should illustrate or demonstrate phase of 4-H work which is being practiced by the club members. They are to depict one idea, stressing originality and creativity as related to the fair theme. No plagiarism allowed.
3. A short written description of the banner's development and relationship to the fair theme must accompany banner. **4-H'ers must describe how they did the work.**
4. Banners should not be made out of highly flammable materials.
5. Dimensions are to be no less than 12 and no more than 16 square feet, with no side less than 3 ft.
6. Banners must be hung on a rod strong enough to support the banner. A wire or rope should be securely attached to the rod for the banner to be hung.
7. A label is to be attached to the front lower left-hand corner (as you face it) of the banner giving the name of the club, and year. Letters should be two inches in height. Names of members are optional. Waterproof ink prevents smearing and is recommended for the label. Safety pins are recommended for attaching label to banner.
8. Banners should be made of materials that permit the banner to be folded or rolled without damaging the display. Three dimensional objects should not be attached to the front of the banner.
9. Guidelines for using copyrighted/trademarked materials in banners, displays, posters: 4-H exhibitor (individual or group) should avoid using copyrighted and/or trademarked materials whenever possible by originating his/her own work. Copyrighted and/or trademarked materials used in banners, displays, demonstrations, posters or other activities for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium.
10. Fairgoers will have the option to vote for their favorite banner as the "People's Choice Award". A ribbon will be awarded to the winning club banner. Voting will occur Thursday, JULY 25 and Friday, JULY 26. The winner will be announced Saturday, JULY 27. Champion and reserve champion will be awarded.

	Banner
--	--------

DEPARTMENT 30—WINDOW DECORATING

JUDGING: Tuesday, JULY 23 prior to start of the fair.

No Pre-entry is needed.

1. Each club must secure their own window, making arrangements for painting as well as cleaning of the window within a week of the fair. The window should be a local business or office in their community.
2. Clubs CAN decorate more than one window but will only submit one for judging.
3. Fair window needs to be decorated by Monday, July 15
4. Each club must notify the Extension office by Monday, July 15 as to the location of the clubs' window.
4. Each window should include the fair dates as well as the wording "Riley County Fair 2024" somewhere in the design.
5. Please submit a photo of your decorated window in case of rain before it is judged.
6. Designs are not required to follow the fair theme.
7. Judging Criteria:
 - (a) Creativity
 - (b) Fair Marketing Value/Location
8. Prize money will be given to each club.
9. Champion and reserve champion will be awarded.

	Club Entry
--	------------

DEPARTMENT 31—MISCELLANEOUS

Department Chair: Andrea Feldkamp

Assistant Chair: Kelsey Thomas

Jr. Assistants: Kendall, Logan & Avery Feldkamp, Marek Wiebers

ENTRY & JUDGING: Friday, JULY 26; 9:00 a.m.

1. Read general regulations.
2. Notebooks, posters and other exhibits will be judged on: Neatness, Arrangement, Completeness, Accuracy and Work Accomplished.
 - (a) A notebook is material prepared by the 4-H'er to demonstrate ability and work done in a project.
 - (b) Posters must be 22" x 28" in size. 6 or 8 ply poster board preferred. Posters should be readable from a distance of 10 feet, neat and legible. Letters for main captions should be at least 1½" tall. Do NOT re-enforce posters with heavier poster board.
3. Protective covers are optional.
4. The individual who prepares the club notebook receives premium money.
5. Group exhibits discouraged.
6. Guidelines for assembling a 4-H project notebook are available at the Extension Office. 4-H'ers have the option of following the guidelines available or designing a form which best meets the needs of the project.
7. Stories may be attached to miscellaneous exhibits.
8. Senior and Junior Champions and reserve champions will be awarded for Posters, and Notebooks.

SECTION A—POSTERS/NOTEBOOKS

Junior 7-13 year olds

Class 3101	Secretary's Book
Class 3102	Reporter's Book
Class 3103	Historian's Book
Class 3104	Project Notebook

Class 3105	Project Poster
------------	----------------

Senior 14 and over

Class 3110	Secretary's Book
Class 3111	Reporter's Book
Class 3113	Historian's Book
Class 3114	Project Notebook
Class 3115	Project Poster

SECTION B—BUILDING BLOCK ENGINEERING

1. 4-H members must be currently enrolled in the Kansas 4-H Building Block Engineering project to exhibit in this division.
2. Building Creations will be judged on theme, neatness, creativity, and display.
3. Group exhibits are discouraged.
4. Each 4-H'er may enter a maximum of two exhibits.
5. All entries must be completely assembled when entered. Only minor repairs will be permitted at entry.
6. All exhibits should be placed in a sturdy see through enclosure with a top, bottom, and 4 sides. It may be desirable to place a cutting board or other hard surface between the lid and base plate of the exhibit to make it more sturdy. The outer dimensions of the enclosure do not count towards the total exhibit dimensions but should not be excessive.
7. Four exhibits can be chosen to exhibit at the Kansas State Fair if they meet requirements w/architectural elements. These exhibits will be chosen by the judge. If exhibitors wish to be considered for Kansas State Fair, entries must meet these criteria:
 - Purple ribbon and age 9 or older as of January 1
 - Exhibit must not be a kit
 - Exhibit must be in a dust free, clear enclosure
 - Include a story and photographs of the exhibitor constructing the diorama
 - Strongly encouraged to include mechanical and/or moving parts

Junior 7-9 year olds

Class 3120	Building Creation made from kit
Class 3121	Building Creation original design

Intermediate 10 – 13 year olds

Class 3122	Building Creation made from kit
Class 3123	Building Creation original design

Senior 14 and older

Class 3124	Building Creation made from kit
Class 3125	Building Creation original design

SECTION C—OTHER

Items represent specific project work by a 4-H member. Examples might include a display, model, etc. items that do not fall under any of the above categories or classes.

1. Due to the uniqueness of items entered in this category, a score sheet will not be used to evaluate project entries.
2. Educational Display can be no bigger than 3' x 4' tri-fold display board.

3. All other items entered in this section must be pre-entered by calling the Extension Office by July 1.

Class 3130	Display
Class 3131	Other

DEPARTMENT 32—WILDLIFE & SHOOTING SPORTS

Department Chair: Andrea Feldkamp
 Assistant Chair: Kelsey Thomas
 Junior Assistant: Kendall, Logan & Avery Feldkamp

ENTRY & JUDGING: Friday, JULY 26; 9:00 a.m.

1. Read general regulations.
2. Notebooks, posters, educational exhibits, and other exhibits will be judged on: Neatness, Arrangement, Completeness, Accuracy and Work Accomplished.
 - (a) A notebook is material prepared by the 4-H'er to demonstrate ability and work done in a project.
 - (b) Posters must not be larger than 22" x 28" in size and 6 or 8 ply poster board preferred. Promotional poster for Shooting Sports must be directly related to promoting 4-H Shooting Sports.
 - (c) Educational Displays may be standard tri-fold boards only, no bigger than 3' x 4' tri-fold display board.
3. Name, county, age and year in project should be a prominent location on the exhibit.
4. Protective covers are optional.
5. Group exhibits discouraged.
6. Wildlife exhibits must comply with State and Federal laws. It is illegal to possess threatened or endangered wildlife, or the feathers, nests or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.
7. Champion and reserve champion will be awarded.

SECTION A—WILDLIFE

Class 3201	Notebook – Contents pertain to some phase, results, story or information about the wildlife project (State Fair Eligible)
Class 3202	Educational Poster – Must be related to something learned in the wildlife project (State Fair Eligible)
Class 3203	Educational Display – Must be directly related to the Wildlife project (State Fair Eligible)
Class 3204	Fish Harvesting Equipment – board exhibit, display of equipment used in fish harvesting
Class 3205	Build a Fishing Rod – Educational exhibit may not exceed 96 inches in length, and must be mounted on a board
Class 3206	Casting Target – Target must be under 48"x48". The bullseyes must be 2 feet, outer band must be 1 foot in diameter and can have up to 3 rings.
Class 3207	Wildlife Harvesting Equipment – board exhibit, display of equipment used in harvesting wildlife.
Class 3208	Inventing Wildlife/Fish Harvesting Equipment, Aid or Accessory – use engineering principles to invent or adapt equipment that helps you harvest fish or wildlife.
Class 3209	Tanned Hides – Wild animal hide properly processed by the member. If not mounted, must be in a clear clothing bag with hanger.
Class 3210	Taxidermy – any legal fish, bird, or other wild animal properly processed by the member. No requirements as to mounting. Include the animals' name and the following: information about

	the exhibitor's personal field experiences, study or observations that relate to the exhibit.
Class 3211	Wildlife Tracks – board or diorama type box exhibit. Make a display of animal tracks using plaster of paris casts. 3 options: 1 – show plaster of paris tracks of five or more kinds of wildlife along with a picture or illustration of each kind of animal, 2 – show two or more plaster of paris tracks of one specific kind of wildlife and should include a picture or illustration of the animal, what the animal may eat and what may eat the animal, or 3- show two tracks and include the animals habitat needs including preferred food, shelter, water and space in addition to picture or illustration of the animal.
Class 3212	Wildlife Knowledge Check – use electrical circuits, or pictures, or other methods of teaching wildlife identification or other wildlife conservation or shooting sports related knowledge. Plan size and shape to fit transportation and display; maximum size 24" x 24".
Class 3213	Houses – make a house for wildlife. Include the following information; 1-the kind of animals for which the house is intended, 2-where and how the house should be located for best use, 3-any seasonal maintenance needed, 4 – any evidence of your personal observations from experiences
Class 3214	Feeders/Waterers – make a bird bath or feeder. Include the following information; 1- the kinds of animals for which the water/feeder is intended, 2-where are water/feeder should be located for best use, 3-any seasonal maintenance needed and 4-any evidence of your personal observations or experiences.

Notebooks and Displays will be judged on the following points:

Stopping Power	15
Is the main idea specific? Is the idea presented clearly, simply, forcefully?	
Interest, Holding power.....	15
Does the exhibit give the observer additional facts in a clear, concise, informative way?	
4-H Project Application.....	15
Is the subject matter an effective showcase?	
Mechanical Power	15
Correct letter size, pleasing color combination, appropriate symbols and models	
Personal Growth	25
How much knowledge was gained by exhibitor? Was enthusiasm shown?	
Educational Value	25
Knowledge Shared. Note: Credit all citations, websites or other resources used in creating your exhibit.	

Posters will be judged on the following points:

General Appearance	30
Information.....	50
Organization.....	20

SECTION B—SHOOTING SPORTS

Class 3220	Notebooks – Must be no larger than 8 ½ x 11, 3 ring binder. Contents pertain to some phase, results, story or information about 4-H Shooting Sports. (State Fair eligible)
Class 3221	Promotional Poster – Must promote 4-H Shooting Sports – maximum size 22" x 28", (State Fair eligible)
Class 3222	Shooting Sports Display - This class qualifies for State Fair, if the exhibitor is at least 9 years of age and received a purple placing on the entry. The exhibit display size may be no larger than 3' x 4' standard tri-fold. No additional table space

	available for promotional brochures or display items; content not to exceed display board borders. No "live" ammunition containing propellant or explosive powders may be used in any display. An inert substitution must be used in lieu of powder and "live" ammunition. The substitution must be clearly described on the back of the poser, display or in a notebook. (State Fair eligible)
Class 3223	Shooting Aid or Accessory – Any item the 4-H'er makes which helps the shooter/hunter better perform their sport, examples: rifle sling, kneeling roll, arm guard, shotgun vest , target boxes, shooting stick, etc. Include your design, or plans you adapted, what the item is and used for.
Class 3224	Storage Case – Any item the 4-H'er makes with the purpose of safely hold a firearm, bow, ammunition, and/or arrows. Examples: soft sided shotgun case, quivers, firearm safe, include your design, or plans you adapted. Explain how the storage case is used.
Class 3225	Practice Game or Activity – Invent or adapt an activity to practice or teach a project skill. Include pictures of youth playing the game, testimonials of 4-H members who played the game, what skill is being worked on, and directions for the game. Explain how you came up with the game or adapted it to fit the needs of your group members.

Displays will be judged on the following points:

Stopping Power	15
Interest Holding Power	15
4-H Project application	15
Mechanical Power.....	5
Personal Growth.....	25
Educational Value	25

Posters will be judged on the following points:

Stopping Power	30
Interest, Holding Power	30
4-H Project application	5
Mechanical Power	15

DEPARTMENT 33—DOG

Department Chair: Bormann

Jr Assistants:

Pre-Registration is due by **May 28**.

1. Exhibitors must be enrolled in the Dog Project.
2. Dog shows will be on **June 1** Obedience and Showmanship **and AND June 22** - Agility & Rally O. Each 4-H'er may use the same dog(s) for obedience, showmanship and agility. However the 4-H'er may exhibit only one dog in showmanship. The 4-H'er may show more than one dog in obedience however the dogs must be enrolled in different classes. **NOTE: In accordance with State Fair guidelines, a dog can be shown in only one agility class.**
3. All sections will follow the Kansas 4-H Dog Show Rules – January, 2021 - published by Kansas State Research and Extension.
4. State 4-H Dog Show Immunization Record (MG-34) is required at all shows. Proof of rabies vaccination signed by a licensed veterinarian must be presented to the show committee at registration on day of show to be eligible to compete. Other required vaccinations are: Bordetella, distemper, hepatitis (adenovirus), parvovirus,

- parainfluenza. Other recommended vaccinations are leptospirosis and coronavirus.
5. Any dog with a contagious, communicable, or infectious disease or condition, in the judgment of the judge or show committee, cannot be shown. It must be removed from the show arena grounds immediately.
 6. A dog in season will NOT be allowed to show and must be removed from the show arena grounds immediately. Contact the Dog Chairman for special arrangements.
 7. The judge or Dog Chairman has the right and responsibility to excuse any dog he or she considers lame or at risk when participating in a 4-H event.
 8. Good sportsmanship shall always be observed. The judge's decision is final. Poor sportsmanship may lead to loss of ribbon, class dismissal, or disqualification from show as determined by judge.
 9. Parents and Audience members must observe good sportsmanship. Any person who is disruptive, uses poor sportsmanship, profane language, or makes threats to a 4-H Member, Judge, or Department Chair will be asked to leave the event.
 10. Dogs and handlers may not enter any show ring prior to a judge's briefing or their turn to compete.
 11. In all events, the following infractions will result in disqualification and no ribbon shall be awarded to the team:
 12. Dismissal from the ring by the judge for any of the following reasons:
 - Dog leaving ring (except Rally) or out of control -In Rally obedience only, the dog may continue to perform after leaving the ring if he returns immediately, unassisted, to the handler.
 - Dog displaying any aggressiveness (biting or growling) to any person or dog during the performance
 - Dog biting another dog or human.
 - Handler using abusive language or unsportsmanlike conduct or giving harsh verbal corrections to the dog
 - Baiting the dog with food, squeakers, toys, electronic devices, etc.
 13. Fouling the ring results in a white ribbon for all events except during the Agility walk-through, which results in a 10-point deduction.
 14. No fancy spiked, pinched, special training, or collars that are either too tight or so large that they hang unreasonably in front of the dogs are permitted. There shall be no objects such as tags, ornaments, or decorations hanging from the collars. No harnesses, halters, or electronic collars will be allowed.
 15. For on-lead classes, the leash should be 6 feet long and must be made entirely of fabric or leather. There should be no additional loops, rings, or attachments to any obedience, rally, or agility leash.
 16. Any abuse of dogs on grounds or in the ring will result in disqualification and no ribbon.
 17. Champion and reserve champion will be awarded for all agility, rally-o, and obedience levels. Junior, intermediate and senior champions and reserve champions will be awarded for showman.
 18. A Supreme Dog Showman title and prize will be awarded for the 4-H'er accumulating the greatest total number of points for all four Riley County Fair contests- Obedience, Rally-Obedience, Showmanship and Agility.

SECTION A-AGILITY

PRE-REGISTRATION: May 28, (all exhibitors must pre-register)

CHECK IN: Saturday, June 22; 8:30 a.m. - **JUDGING** begins at 9:00 a.m.

Agility is an obstacle course for dogs. Dogs and their handlers (team) try to complete the obstacles as quickly as possible without penalty. The handlers run alongside. In Agility I only, dogs may compete either on-lead or off-lead, however on-lead and off-lead are separate classes. **Agility I on-lead is not a State Fair qualifying event.** All Agility II and Agility III competitions are off lead. Penalties are given for handler interference, knocking down obstacles, or going out of sequence. The class winner is the dog with the fewest number of penalties and time faults. In event of a tie score, the dog with the fastest time is the winner.

Collars are not required, but if worn, must be buckle or snap with nothing attached during competition. Leads or tabs worn on the familiarization course must be long enough to allow free movement without interfering with the obstacle.

Entries are organized so dogs of similar heights compete at the same time. There are three obstacle heights for small, medium, and large dogs. Each dog entered in Agility I, II and III is allowed a familiarization run which is not scored by the judge. A second or even third dog may start its familiarization run before the preceding dog has completed the course. Anyone absent when familiarization runs are being completed forfeits the opportunity for a familiarization run. The judge may walk the handlers through the course and answer any questions.

A team that receives blue or purple ratings in Agility I on-lead and has two or more years of experience must advance to Agility I.

In order to advance from Agility, I to Agility II, or from Agility II to Agility III, the team must receive two (2) qualifying scores of 190 points or greater (purple ribbons) under two different Kansas 4-H certified Agility judges at local, multi-county, or state competitions. It is suggested that this move be made after the state fair and at the beginning of a new 4-H year. After choosing to advance, a team may not go back to a lower level.

Agility I. For beginning and continuing agility competitors.

Class 3301	Agility I, On Lead – (Not State Fair event)
Class 3302	Agility I, Off Lead

Agility II. Second level course for experienced agility competitors (off lead only).

Class 3303	Agility II
------------	------------

Agility III. Third level course for experienced agility competitors (off lead only).

Class 3304	Agility III
------------	-------------

Agility IV. Fourth level course for experienced agility competitors, two obstacles with handler 6 feet away

Class 3305	Agility IV
------------	------------

A 15-point penalty will be assessed to dogs competing on-lead in Agility I; thus, a blue ribbon is the highest award that can be won by an on-lead exhibitor. Scores received on- lead may be eligible for certain trophies and/or prizes.

The handler with the highest score in Agility I, II, III or IV will be designated the champion in Agility, and the handler of the second highest score in Agility I, II, III or IV will be the reserve champion in Agility. In the event of a tie, the team with the fastest time will be designated winner, if the teams are in the same agility level. If teams are in different agility levels, the team in the most difficult class will be designated the winner.

SECTION B—SHOWMANSHIP

PRE-REGISTRATION: May 28, (exhibitors must pre-register)

CHECK IN: Saturday, June 1; 8:30 a.m., **JUDGING begins at 9:00 a.m.**

The exhibitor will be judged on the fitting of dog: clean and well brushed, tone and condition of coat, healthy appearance, teeth, toenails, and eyes. Handler will be judged on alertness, grace, and ease, coordination with dog and reaction of dog to handler with straight and even gait and movement of dog. Handlers should be neatly groomed and attired, with sensible footwear.

Note: Those 4-H'ers showing dogs of a breed, type, or size normally presented on a grooming table for examination will be expected to do so. A purple or blue and a 4-H age of 9 is a State Fair qualifying score. Junior showmanship is not a State Fair event

due to State Fair rules. Deductions based on a total possible of 100 points.

Dogs in the show ring should wear a show lead that serves as BOTH collar and lead. A fine link chain collar, a "snake chain," or a fabric slip collar with a narrow, lightweight fabric or leather lead are acceptable show leads. The 4-H'er should use a show lead that best suits the dog. Position the collar portion of the lead around the neck, just behind the ears so it can be tightened to ensure the lead does not slip off your dog. This will allow you to control your dog.

Class 3320	Pre-Junior – Ages 7-8 years old
Class 3321	Junior – Ages 9-11 years old
Class 3322	Intermediate – Ages 12-14 years old
Class 3323	Senior – Ages 15 and over

SECTION C—OBEDIENCE

PRE-REGISTRATION: May 28, (exhibitors must pre-register)

CHECK IN: Saturday, June 1; 8:30 a.m., **JUDGING begins at 9:00 a.m.**

Once a 4-H'er scores 170 points or greater with the same dog under two different judges, the member must advance to the next obedience level at the start of the next 4-H year. At any time that the leader, parent, and member agree that the 4-H'er and dog are ready to move to the next level, they may; but once that is done, they cannot regress to a lower level.

The handler of the highest scoring obedience dog will be designated the Champion in Obedience, and the handler of the second highest scoring dog will be the Reserve Champion in Obedience.

SECTION D– RALLY OBEDIENCE (RALLY-O)

PRE-REGISTRATION: May 28, (all exhibitors must pre-register)

CHECK IN: Saturday, June 22; 8:30 a.m. - **JUDGING** begins at 9:00 a.m.

Rally Obedience (Rally-O) is a form of dog obedience competition that makes use of 15-17 directional signs to guide the handler through the performance. The directional signs are numbered sequentially as they are placed in the ring which then indicates the course

that the handler must take during the performance.

On leash exercises will use a 6-foot leash with well-fitting slip, buckle, snap, or martingale collars of leather, chain, or fabric.

Teams must progress to the next level after receiving a qualifying score of 80 points or greater (blue and/or purple ribbon) from two different 4-H certified Rally Obedience judges. Normally, a team would advance to the next level at the beginning of the next 4-H year. However, a team may start at a higher level if it desires. After participating at a higher level, the team may not go back to a lower level.

The handlers of the highest scoring obedience dog will be designated the Champion in Rally Obedience, and the handler of the second highest scoring dog will be the Reserve Champion in Rally Obedience.

Class 3350	Rally-O, Level I (on-lead)
Class 3351	Rally-O, Level II (off-lead)
Class 3352	Rally-O, Level III (off-lead)

DEPARTMENT 34—PETS

Department Chair: Kristin Holt

ENTRY & JUDGING: Tuesday, JULY 23; 6:00 p.m. Pottorf Hall—

RELEASE PROJECTS: Tuesday, JULY 23, upon completion of judging

1. Read general regulations.
2. Exhibitors are limited to 5 entries.
3. Members may choose to exhibit a fish, turtle, gerbil, dog, cat, chicken, rabbit, etc. However, health papers are not required, and members must be mindful that they are showing at their own risk.
4. Dogs and cats must be current with rabies vaccines to participate. Cats should have current distemper vaccination. Exhibitor **must** bring proof of vaccination. Failure to do so will result in a drop in ribbon placing.
5. Animals show in the Pets Division cannot be exhibited in any other project division. Members must be enrolled in the Pets project to exhibit in the Pets division.
6. Each exhibitor is responsible for providing a cage or carrier for each pet exhibited. Cages/carriers will NOT be provided.
7. Each exhibitor is responsible for cleaning up after his or her pet.
8. A club interview schedule will be established and put in the newsletter.
9. Each pet can be shown only ONCE by a family member.

SECTION A—PETS

Class 3401	4-H Pet
Class 3402	Cloverbuds Pets

DEPARTMENT 35—CLOVERBUDS

SECTION A—4-H EXHIBIT

Department Chair: Ambassadors

Cloverbud Fair Guidelines:

Must be enrolled as a Cloverbud by May 1 to exhibit. Cloverbuds must be age 5 or 6 by January 1, 2024, to participate in this program. Cloverbuds may exhibit age-appropriate activity related items from their 4-H Cloverbud experiences. Cloverbuds will receive participation ribbons only and will not be judged.

Cloverbuds may not compete in Livestock Judging, Horticulture Judging, or Photo Judging contests (but may observe these activities with a parent/ guardian).

CLOTHING CONSTRUCTION for Cloverbuds:

PRE-REGISTRATION: Due July 1

JUDGING: Thursday, JULY 18; 8:30 a.m.

ENTER FOR DISPLAY: Clothing items judged on Thursday, JULY 18 will be accepted for display at the Riley County Fair on Thursday, JULY 25; 10:00-noon

To enter and more information about the class, refer to the Clothing Division located on page 32

CLOTHING AND FASHION REVUE for Cloverbuds:

May showcase one outfit either constructed or purchased in the Fashion Revue judging and modeling.

Pre-registration: Due July 1

Script Descriptions: Due Friday, July 5 by 5:00 p.m.

No late scripts or script changes will be accepted after that date.

JUDGING: Thursday, July 18, 8:30 am at Manhattan Catholic School, 306 S. Juliette

PUBLIC REVUE: July 18, 7:00 pm at Manhattan Catholic School

PET SHOW for Cloverbuds:

ENTRY and JUDGING: Tuesday, JULY 23; 6:00 p.m.

RELEASE: After Pet Show

To enter and more information about the class, refer to the Pet Division located on page 81

FOOD JUDGING for Cloverbuds:

ENTRY and JUDGING: Wednesday, JULY 24, 10:00

To enter and more information about the class, refer to the Foods Division located on page 36

GENERAL EXHIBITS

ENTRY and JUDGING: Tuesday, JULY 23; 1:00 p.m.

RELEASE: Monday, JULY 29; 5:00 – 7:00 p.m.

Showcase any other general exhibit (maximum of 5 items)

Class 5001	General Exhibits
------------	------------------

DEPARTMENT 36 – SMALL ENGINES

ENTRY & Judging: Friday, JULY 26; 1:30 p.m. Check in Aerospace dept.

1. All exhibits should involve engines smaller than 20 horsepower for classes 4610-4612. Displays are limited to 4' wide and 4' deep – both upright and floor displays.
2. Items that have been in use should be cleaned for exhibit.
3. A sheet of operating instructions must be furnished for the exhibit.
4. An exhibitor may enter up to three items in this division, but only one article per class.

Class 3615	Display – Exhibit a display, selecting one of the following options: 1) display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn garden equipment parts; OR 2) a display identifying and explaining the function(s) of different special tools needed for small engine work; OR 3) a display illustrating and providing the results of any
------------	---

	one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, chainsaws are permitted for display. Maximum tri-fold size is 3'x4'.
Class 3616	Maintenance -- Exhibit a display that illustrates either 1) Routine maintenance procedures OR 2) Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display, using a maximum tri-fold size of 3'x4'.
Class 3617	Operation -- Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Maximum tri-fold size is 3'x4'. Engine should contain no fuel in tank or carburetor.

DEPARTMENT 37 – COMPUTER SCIENCE

ENTRY & Judging: Friday, JULY 26; 1:30 p.m. Check in Aerospace Dept.

1. The 4-H Computer Science project teaches concepts related to computers, hardware knowledge, software programming and applications; internet safety, the building, maintenance and repair of computers; and future career opportunities. Please note that the actual construction of computer hardware (i.e. building a computer electronic devises with a mother-board based manipulation) will remain in the Energy Management Division.
2. Computer Systems – Physical computers such as tablets, smart phones, laptops, or personal computers (PCs) will not be accepted as an exhibit.
3. The 4-H members must be currently enrolled in the 4-H Computer Science project to exhibit in this division.
4. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year and have been selected at the county level for entry at the State Fair level.
5. Educational display boards, posters and notebooks should be creative and showcase something specific you have learned in the computer project during the current year. Follow copyright laws, as explained in the General Rules as you are preparing your exhibit(s).
6. Educational posters must be no larger than 22" x 28" poster board.
7. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. Commercially available "Science Fair Presentation Boards" are encouraged. Exhibitors are encouraged to laminate all posters and maps or cover them with clear plastic film.
8. Project notebooks must be organized in a 3-ring binder.
9. Exhibitor's name, county or district, age, and years(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
10. "Chip Systems" may use/include GPIO bread boards or HATs (Hardware Attached On Top) the size of which is not included in the size of the chip system, however the total size of the chip system and GPIO devices may not exceed 24"x24"x24" including any display area. For chip systems, all electric components of the system must be adequately covered or concealed with a protective enclosure.
11. A Champion and Reserve Champion will be awarded in this division.

Class 3701	Computer Program, application, app, script, or coded system that is new and unique.
Class 3702	Computer Presentation (power point, we page/site, animated graphics such as gifs, etc.)
Class 3703	Single Computer System (web server, database server, tech)

	represented as a virtual machine.
Class 3704	Networked system consisting of two or more virtual machines.
Class 3705	Chip System – Small 4" x 4" x 4" programmed physical device that accomplishes a specific task

DEPARTMENT 38 – SHOPPING IN STYLE

ENTRY & Judging: Friday, JULY 26; 9:00 a.m. Check in Miscellaneous

1. Members will learn what clothing styles look best on them while they also gain skills in building a versatile wardrobe and staying within their budget. Each year enrolled in Shopping in Style should build on previous year's learning experience. Exhibit one of the following options that align with the members Shopping in Style level.
2. Posters can be flat poster board or foam board, no larger than 22"x28".
3. Tri-fold educational displays must be free standing and no larger than 36"x48".
4. Photos of 4-H member in purchased outfit must demonstrate criteria as outlined on scoresheet. Consider multiple angles, good light, and highlight details to that the judge may accurately evaluate the exhibit.
5. Exhibits should include actual photos of 4-H member in garments, and may also include pictures from magazines or the internet.
6. A champion and reserve champion will be awarded in this division.

Junior 7-9 year olds

Class 3801	<p>A garment you purchased that reflects your personal style and explains how this garment reflects your style and how it influences what others think of you: OR a garment you purchased and explains how your personal style either aligns or contradicts what is considered to be "in style" today,</p> <p>OR a garment you purchased and explains how your personal style either aligns, or contradicts what is considered to be "in style" today.</p> <p>OR a garment you purchased and explains or illustrates how this garment is a modern version of a fad or fashion from an earlier decade;</p> <p>OR a garment you purchased and explains how this garment reflects a different ethnic or cultural influence;</p> <p>OR a garment you purchased and includes a color discussion that provides an overview of how different colors complement different hair colors, and skin tones and how that influenced garment selection.</p>
------------	--

Intermediate 10-13 years old

Class 3801	<p>An outfit you purchased to wear with a clothing item that was already in your wardrobe that still fit, but you didn't wear anymore. Explains why the clothing item was not being worn and what you did to transform it into a wearable garment again</p> <p>OR a top and bottom that you purchased as well as at least three pieces of clothing in your existing wardrobe that you can mix and match with the new items to create multiple outfits. Includes a clothing inventory and explain what you have learned by completing this activity.</p> <p>OR an outfit you purchased and explain why you selected the</p>
------------	--

	<p>garment you did, your shopping budget, and cost per wear OR an outfit you purchased along with a cost comparison between garments/accessories purchased vs. sewing/constructing the outfit. Comparison should include variety of shopping options and/or price tracking at stores over a period of time.</p>
--	--

Senior 14 years and older

Class 3801	<p>An outfit you purchased and care requirements not only for this garment but also for garments made of other natural and synthetic fibers. Display should also include a care cost analysis for garments of different fibers OR an outfit you purchased which you have required or altered. Include a clothing inventory list which includes cost savings for repaired items as compared to purchasing replacement garments OR an outfit you purchased along with plans and commentary for a fashion show that would capture the attention of an audience. Plans should identify target audience, venue, theme, budget, and logistical plan for the fashion show OR an outfit you purchased and explain 3 methods of clothing repair that you have learned, i.e. torn seam, torn hem, replacing a button, etc. Display should also include photos and list of your assembled clothing first aid kit. Include itemized expenses OR an outfit you purchased and feature any other completed activity from the Shopping in Style curriculum of your choosing that isn't listed above.</p>
------------	--

DEPARTMENT 39 – VETERINARY SCIENCE

ENTRY & Judging: Friday, JULY 26; 9:00 a.m. Check in Shooting Sports/Wildlife Department

1. A Veterinary Science exhibit may consist of a poster, notebook or project display.
2. If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma, or painful procedures are not appropriate.
3. First-Aid kits wishing to use medication information should utilize written descriptions, photographs, drawings, computer generated print-outs or empty packaging of pharmaceuticals. **NO DRUGS OR MEDICATION WILL BE ALLOWED WITH THE EXHIBIT.**
4. Posters should not exceed 22" x 30" and may be either vertical or horizontal.
5. A display may include but is not limited to: a 3-dimensional exhibit, a scale model, the actual product (for example: skeleton; teach; leather, fur or dried skin damaged by disease or parasites) or a notebook. A display is not a poster. A display may be mounted on poster board not to exceed 24" x 28" or on ¼" plywood or equivalent that does not exceed 24" high or 32" wide or in a three ring binder or another bound notebook format.
6. Notebooks: Individual entries are to be placed for display in a three-ring notebook for competition.
7. Because these are science displays, all references and information must be properly cited.
8. A member can exhibit only one item in each class.
9. A Champion and Reserve Champion will be awarded in this

division.

Class 3901	Large Animal Poster, Notebook or Display
Class 3902	Small Animal Poster, Notebook or Display

DEPARTMENT 51—OPEN CLASS

GENERAL REGULATIONS

1. Each entry must have a Riley County Fair entry card. All entry cards will be filled out and firmly attached to the exhibit. These may be obtained from the Riley County Extension Office or at the Fair Office on the day of entry.
2. Every exhibit on the fairgrounds will be under control of the fair management. While every precaution will be taken for the safekeeping of exhibits, neither the management, its officers, nor the Extension office personnel will be responsible for any loss, damage or accidents that may occur.
3. Exhibits will not be released until Monday, JULY 29; 5:00 p.m. – 7:00 p.m., **no exceptions** will be made. Exhibitors are to claim their exhibits at release time. Those in charge assume no responsibility for exhibits left on the fairgrounds after the close of the fair. If unable to pick up Monday evening, building will be open Tuesday morning from 9:00 – 11:00 a.m. to pick up.
4. Open Class events are open to anyone in Riley County and adjoining counties unless specified. 4-H members may exhibit in classes not available in the 4-H department.
5. Entries in Open Class will be placed in purple, blue, red, and white ribbon groups according to the division and quality of the exhibit unless otherwise stated.
6. All exhibits entered in Open Class must have been grown and selected or made by the party in whose name the entry is made.
7. **Check under** each division for special rules and entry dates.

SECTION A—OPEN GARDEN AND CROPS

Department Chairs: Master Gardeners

ENTRY: Thursday, JULY 25; 10:00 – noon

JUDGE: Thursday, July 25; 1:00 – 3:00 p.m.

RELEASE EXHIBITS: Monday, JULY 29; 5:00 - 7:00 p.m.

1. Products exhibited shall be of the current year's production.
2. All exhibits must be grown and selected by the exhibitor.

Class 5001	Beans – plate of 6 same variety
	Beets – plate of 3 same variety
	Cabbage – 1 Head
	Cantaloupe (Muskmelon) – 1 melon
	Carrots – plate of 3 same variety
	Cucumbers – plate of 3 same variety
	Eggplant – 1 fruit
	Okra – plate of 3 same variety
	Onions – plate of 3 same variety
	Peppers – plate of 3 same variety
	Potatoes, Irish – plate of 3 same variety
	Pumpkin – 1 fruit
	Squash, summer – 1 fruit

Squash, winter (other than pumpkin) – 1 fruit
Sweet Corn – plate of 3 same variety
Sweet Potatoes – plate of 3 same variety
Turnips – plate of 3 same variety
Tomatoes – plate of 3 same variety
Watermelon or other melon (other than cantaloupe) – 1 melon
Other Vegetable Crop
Fruit Crop – (example plate of 3 apples, ½ pint blackberries)
Wheat – One gallon sample A 2-1/2 - 3" styrofoam cylinder placed in the gallon container may be used to reduce amount of grain to approximately 3 quarts
Corn – Ten (10) ears white hybrid
Corn – Ten (10) ears yellow hybrid
Unusual Exhibit
Miscellaneous
Fresh Culinary herbs – 6 stems of one variety, exhibited in disposable container of water. Dried herbs are not accepted.

SECTION B—OPEN FLOWERS AND PLANTS

Department Chair: Riley County Master Gardeners

ENTRY: Thursday, JULY 25; 10:00 – noon

JUDGE: Thursday, July 25; 1:00 – 3:00 p.m.

RELEASE EXHIBITS: Monday, JULY 29; 5:00 - 7:00 p.m.

1. Exhibit cut flowers with foliage and long stem if possible.
2. Cut flowers must have been garden grown.
3. House plants must be grown by the exhibitor and have been in his/her possession for at least 3 months.
4. All entries should be labeled as to proper variety.

Class 5101	Rose – single stem (variety to be named)
	Annual – single stem
	Perennial – single stem
	Fresh Flower Arrangement – state purpose of arrangement
	Dried Flower Arrangement – no artificial or silk flowers
	Cacti plants or succulent
	Potted Indoor Plant (foliage or flowering)
	Container Garden
	Miniature and Fairy Garden

SECTION C—OPEN FOOD PRESERVATION

Department Chairs:

ENTRY & JUDGING: Wednesday, JULY 24; 11:00 p.m. – 2:00 p.m.

RELEASE EXHIBITS: Monday, JULY 29; 5:00-7:00 p.m.

1. Product must have been canned after July 30, 2023.
2. Exhibits must be sealed in non-decorated, non-colored (blue, amber or green), clean standard canning jars with matching brand (use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two piece lids. Lids with plaid, fruit decorated or brushed silver are permissible. Jars must be sealed when entered. For food safety reasons, the size of the jars used must not be larger than the jar size stated in the recipe. There are 12-ounce, 24 ounce and 28-ounce canning jars available and may be used. Use pint jar process recommendations for 12-ounce

jars. Use quart jar process recommendations for 24 ounce and 28-ounce jars. All other products must be in pint or quart jars.

3. Each jar exhibited must be labeled with a uniform label placed 1" from the base of jar. You may need to make a label using an adhesive mailing label. The label must give: Class No, Altitude, Product, Canning Method (water bath, weighted gauge or dial gauge presser method), Process Time, Pressure (psi), date processed including month and year, Name, and County/District.
4. Judging: The exhibits will be judged on recipe and quality of canned product. Current USDA recommended methods must be used. No open kettle or oven canned processed food will be allowed. Pickles and sweet spreads must be finished using the water bath process for the altitude of where processed. Low acid products must be pressure processed properly for the altitude of where processed.
5. Each exhibit must include a copy of the complete recipe and instructions. Recipe must include recipe source, date of publication and altitude of where processed.
6. Containers may be opened at the discretion of the judge.
7. Dried Foods: One kind of dried food product to be in a small jar, with lid but not sealed or other "see-through" container. Suggested amount: 1/3 to 1/2 cup, or 3 to 4 pieces per exhibit. All meat jerky should be cooked to 160 degrees F (internal temperature using a metal stem-type thermometer. Jerky not heated to 160 degrees F will not be judged
8. **Riley County Fair**– No alcohol should be included as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.

Class 5200	Sweet Spreads (fruit and/or vegetables), Syrups; 1 jar
	Fruits, Juices, Fruit mixtures (Salsa, pie filling, etc.); 1 jar
	Low Acid Vegetables (green beans, corn, etc. or mixtures); 1 jar
	Pickles (fruit or vegetables) Fermented & Relishes & Chutney); 1 jar
	Tomato/Tomato Products (Tomato juice & tomato salsas); 1 jar
	Meats; 1 jar
	Dill Pickles; 1 jar
Dried Foods; 1 jar	

SECTION D—OPEN CAKE DECORATING

Department Chair: Holly McHugh

ENTRY & JUDGING: Wednesday, JULY 24; 11:00 – 2:00 p.m.

RELEASE EXHIBITS: Monday, JULY 29: 5:00-7:00 p.m.

1. Decorated items will be judged on overall design, skill and precision, choice and use of colors, difficulty of technique, neatness, and originality. Exhibits will be judged on appearance only.
2. A baked cake or a cake form may be used for decorating at the County Fair level.
3. A cake form (Styrofoam) is used for decorated cakes at the State Fair level.
4. Wedding and anniversary cakes can be no larger than a 14" base and 24" in height including decorations. Decorated cookies can be no larger than 12" in diameter, using any batter or dough. Cupcakes can be no larger than 3" to 4" in diameter, using any batter or dough.

DECORATED CAKES

Class 5300	Cakes for Children
	Birthday
	Novelty

	Holiday
	Anniversary
	Wedding
	1 decorated cookie – 12" in diameter
	3 decorated cupcakes

SECTION E—OPEN ARTS AND CLOTHING

Department Chair: Marci Ritter

ENTRY and JUDGING: Saturday, JULY 27 8:00 a.m. until 11:00 a.m. at Pottorf Hall, CiCo Park

RELEASE EXHIBITS: Monday, JULY 29; 5:00 - 7:00 p.m.

Exhibitors must indicate age on entry card.

1. Exhibitors may enter up to eight items.
2. A 3"x5" index card may be attached with the entry tag to give the judge any information which the exhibitor thinks would be helpful for the judge to know.
3. Refer to Open Class General regulations for other rules governing this division.

Class 5400	Open Arts and Clothing
------------	------------------------

SECTION G—OPEN PHOTOGRAPHY

Department Chair: Jason Haller & Leslye Haller

ENTRY & JUDGING: Saturday, JULY 27; 8:00 – 11:00 a.m. Pottorf Hall, CiCo Park

RELEASE: Monday, JULY 29; 5:00 - 7:00 p.m.

1. Exhibitors may enter no more than four total entries per age division.
2. Photos may be 7" x 9" to 8"x10".
3. No lettering, underlay, or borders permitted.
4. Sepia or other mono-colored photos may not be entered in a black and white class. Only true black and white photos will be accepted in a black and white class.
5. Mounting instructions:
Photos must be mounted across the narrow (11") dimension of a 11" x 12½" sheet of white or cream-colored studio mount. Photos mounted on foam core board or poster board will not be displayed. Photos must be mounted with the top edge of the print 1" below the top of the mount board. The sides of the print must be equal distance from the two sides of the mount board. A permanent mount must be made by using a photographic adhesive. Tape with masking tape a name slip (available at the Extension Office) on front bottom. Place photo in a 2-gallon self-sealing bag. Bags are the responsibility of the exhibitor.
6. Extension office sells mat boards and bags.

Youth Division: (17 years and under or 4-H age)

Class 5600	Best 7" x 9" to 8" x 10" Enlargement, Black and White
Class 5601	Best 7" x 9" to 8" x 10" Enlargement, Color

Adult Division: (18 years and over and no longer 4-H age)

Class 5602	Best 7" x 9" to 8" x 10" Enlargement, Black and White
Class 5603	Best 7" x 9" to 8" x 10" Enlargement, Color

NEW last year in the Open Class Division— "Scenes of Riley County" – Every year a new Riley County object will be the focus of the picture. This year the Riley County Scene will be focused on "**Windmills of Riley County**". All pictures must be taken in Riley County, a description of the windmill and location of the scene must be included on the

back of the photo. The winning photo will receive a special ribbon and will be hung in the Riley County Courthouse for one year. Photos will be 7"x9" or 8"x10" enlargement and color only. Cropping is allowed by No digital manipulation of the photo allowed. Only one entry person.

Riley County Special Scene Division: Open to any age group

Class 5604	Best 7" x 9" or 8" x 10" Enlargement – Riley County Windmill
------------	--

SECTION I—OPEN BUILDING CREATIONS

Department Head: John Jobe

ENTRY: Wednesday, JULY 24, 3:00 – 5:00 p.m.

JUDGING: Thursday, JULY 25, 2:00 – 4:00 p.m.

1. Building Creations (LEGO®, K'NEX®, tooth picks, etc.) should be no larger than 24" (L) x 24" (W) x 60"(H). Special size accommodations can be made for larger creations with the approval of Mr. Jobe, Riley County 4-H Agent. Contact him at the Riley County Extension Office prior to entry, 785-537-6350.
2. Building Creations will be judged on theme, neatness and creativity.
3. Creations will be judged in (4) separate age categories: **Junior (ages 7-9), Intermediate (ages 10-13), Senior (14-19) and Adult**
4. Group exhibits are allowed, but only one prize will be given per exhibit.

5. Each builder may enter a maximum of two exhibits.
6. All entries must be completely assembled when entered. Only minor repairs will be permitted at entry.

Class 5800	Junior 7-9
Class 5801	Intermediate 10-13
Class 5802	Senior 14-19
Class 5803	Adult 20+

SECTION J—OPEN SHEPHERDS LEAD

Department Chair: Kelly Wendland

REGISTRATION: Due Thursday, JULY 25; **12:00 p.m. (noon)**

DESCRIPTION: Please email script to mcdough92@ksu.edu or bring to fair office

JUDGING: Thursday, JULY 25; 7:00 p.m., Hurlburt Show Arena, before sheep show

1. The purpose of a lead class is to present sheep in the most attractive manner, to improve the image of sheep and to give spectators an opportunity to view well-groomed sheep at halter by attractively dressed contestants wearing wool garments.
2. Garments may be purchased or constructed and should consist of at least 60% wool (excluding accessories).
3. Judging is based on the attractiveness and suitability of the garment to the contestant and contestant's ability to control and present the sheep at halter.
4. Contestants do not need to be enrolled in the sheep project to participate. Arrangements should be made with a 4-H'er in the sheep project to use his/her lamb for the contest.
5. The sheep may be blanketed or decorated in a fashion that compliments the overall appearance of the contestant and the animal.

Pee Wee (Ages 5 and under)	Junior (Ages 6-9)
Intermediate (Ages 10-14)	Senior (Ages 15-20)
Adult (Ages 21 and Above)	

SECTION K—OPEN MAKE IT WITH WOOL

PRE-REGISTRATION: Due July 1

JUDGING: Thursday, JULY 18; 8:30 a.m. – Manhattan Catholic School, 306 S. Juliette

PUBLIC REVUE: Thursday, JULY 18; 7:00 p.m. – Manhattan Catholic School

1. Wool awards will be presented to exhibitors in each of the three divisions: Pre-Teen, Junior, Seniors, and Adults. Awards will be based on fit and construction of the garments.
2. The purpose of the awards is to focus on the beauty and versatility of wool and to encourage the use of this fiber in **sewing, knitting and crocheting** fashionable garments.
3. Garments must be made of a minimum of 60% wool (no more than 40% synthetic fibers).
4. Judges look for coordination of the fabric to the pattern; poise and presentation; suitability of the garment to the contestant; and skill in sewing, knitting, or crocheting.
5. Purses should not be carried. Hats, gloves, and other accessories are optional.
6. All classes are determined by the age as of January 1, 2024.
 Pre-teen – 12 and under
 Junior -13 -16
 Senior -17-24
 Adult -25 & older

SECTION L—OPEN GEOLOGY

Department Chair: Wally Mack and Chris Anderson

ENTRY & JUDGING: Thursday, JULY 25; 10:00 a.m. - Noon

RELEASE: Monday, JULY 29; 5:00 - 7:00 p.m.

Display at least 15 specimens. Group and label specimens according to categories. All specimens must be collected in the State of Kansas during 2022-2024. At least 15 specimens must be collected during 2023-2024 for all categories.

1. The standard size exhibit box should be 18x24x31/2". All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep. The Plexiglas cover must be removable from the top. Screws, locks or other devices that would prevent judges from removing cover should not be used.
2. Each exhibitor is required to identify each display box by placing an identification label bearing name, county and number of specimens in the upper left-hand corner of the Plexiglas cover (inside-use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower corner of the box (outside). The inside label is also to indicate the class number.
3. Exhibitors may show in only one of the first four geology classes. Exhibitors may also show in geology class special exhibit.
4. Specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county only) where collected.
5. Specimens should be mounted in the box by the proper groups - rocks, minerals, fossils. Fossils must be identified to the Phylum, Class and Genus Level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words "phylum, class, genus" on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone); calcite from the Greenhorn formation, not just calcite; Phylum: Brachiopod Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulata Genus: Composita.
6. All specimens must be collected (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa county, OK: Newton and Jasper Counties, MO. Out-of-state specimens may be exhibited in a marked section of the display, but these are not to comprise the major portion of the exhibit. **OUT-OF-STATE SPECIMENS WILL NOT COUNT IN THE MINIMUM NUMBER FOR THE CLASS, NOR WILL THEY BE CONSIDERED IN THE JUDGING.**

Class 2902	Display at least 15 different rocks, minerals or fossils collected during 2023-2024. Limited to one exhibit box. Fossils must be identified at the Phylum level.
Class 2903	Display at least 30 different rocks, minerals or fossils, at least 5 of each. Fifteen must be collected during 2023-2024 year. Limited to one exhibit box. Fossils must be identified at the Phylum level
Class 2904	Display at least 45 rocks, minerals or fossils, at least 5 of each. Fifteen must be collected during 2023-2024 year. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just

	limestone: exact species must have different formation names listed on the I.D. card; Composita Brachiopod from Morrill Limestone not just Brachiopod or Composita Brachiopod). Exhibit limited to two boxes 18" x 24" x 3 1/2" with Plexiglas covers. Rocks must be identified by their proper name and type (igneous, sedimentary, and metamorphic). These rock types must be spelled out on labels or have a legible key. Fossils must be identified at the Phylum level.
Class 2905	Display at least 60 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during 2023-2024 year. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; exact species must have different formation names listed on the I.D. card; Composita Brachiopod from Morrill Limestone not just Brachiopod or Composita Brachiopod). Exhibit limited to two boxes 18"x 24 x 3 1/2" with Plexiglas covers. Rocks must be identified by their proper name and type (igneous, sedimentary, and metamorphic). These rock types must be spelled out on labels or have a legible key. Fossils must be identified at the Phylum, Class and Genus levels if possible.
Class 2906	Geology Educational Exhibit relating geology to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Exhibit limited to 4 feet of table space or not more than two exhibit boxes. Digital formats are accepted. Please make arrangements for the judge to view your exhibit and have a hard copy for display
Class 2907	Mineralogy Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during 2023-2024 year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. Members must use one standard display box. The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (i.e.: CaCO ₃ for calcite) if known.

GENERAL EVENTS PEDAL TRACTOR PULL

Department Chair: Riley County Fair Board

REGISTRATION: Sunday, JULY 28; 6:30 p.m. Hurlburt Show Arena

PULL: 7:00 p.m.

1. All equipment will be furnished.
2. Entrants must be at least 4 years of age and not older than 12.
3. Classes will be divided by age.
4. Other rules will be handed out at the time of registration.
